SECTION 1 - WELCOME

Quick Reference Box

- Member services, claim inquiries, Care CoordinationSM and Mental Health/Substance Use Disorder Administrator: 1-800-864-9427;
- Claims submittal address: UnitedHealthcare - Claims, P.O. Box 30432, Salt Lake City, Utah 84130-0432; and
- Online assistance: www.myuhc.com.

Air Liquide USA LLC is pleased to provide you with this Summary Plan Description (SPD), which describes the health Benefits available to you and your covered family members under the Air Liquide USA LLC Health Benefit Plan. It includes summaries of:

- who is eligible;
- services that are covered, called Covered Health Services;
- services that are not covered, called Exclusions;
- how Benefits are paid; and
- your rights and responsibilities under the Plan.

This SPD is designed to meet your information needs and the disclosure requirements of the Employee Retirement Income Security Act of 1974 (ERISA). It supersedes any previous printed or electronic SPD for this Plan.

Air Liquide USA LLC intends to continue this Plan, but reserves the right, in its sole discretion, to modify, change, revise, amend or terminate the Plan at any time, for any reason, and without prior notice. This SPD is not to be construed as a contract of or for employment. If there should be an inconsistency between the contents of this summary and the contents of the Plan, your rights shall be determined under the Plan and not under this summary.

UnitedHealthcare is a private healthcare claims administrator. UnitedHealthcare goal is to give you the tools you need to make wise healthcare decisions. UnitedHealthcare also helps your employer to administer claims. Although UnitedHealthcare will assist you in many ways, it does not guarantee any Benefits. Air Liquide USA LLC is solely responsible for paying Benefits described in this SPD.

Please read this SPD thoroughly to learn how the Air Liquide USA LLC Health Benefit Plan works. If you have questions contact your local Human Resources department or call the number on the back of your ID card.

How To Use This SPD

- Read the entire SPD, and share it with your family. Then keep it in a safe place for future reference.
- Many of the sections of this SPD are related to other sections. You may not have all the information you need by reading just one section.
- You can find copies of your SPD and any future amendments or request printed copies by contacting Human Resources.
- Capitalized words in the SPD have special meanings and are defined in Section 14, *Glossary*.
- If eligible for coverage, the words "you" and "your" refer to Covered Persons as defined in Section 14, *Glossary*.
- Air Liquide USA LLC is also referred to as Company.
- If there is a conflict between this SPD and any benefit summaries (other than Summaries of Material Modifications) provided to you, this SPD will control.

SECTION 2 - INTRODUCTION

What this section includes:

- Who's eligible for coverage under the Plan;
- The factors that impact your cost for coverage;
- Instructions and timeframes for enrolling yourself and your eligible Dependents;
- When coverage begins; and
- When you can make coverage changes under the Plan.

Eligibility

You are eligible to enroll in the Plan if you are a regular full-time employee who is scheduled to work at least 30 hours per week or a person who retires while covered under the Plan.

Your eligible Dependents may also participate in the Plan. An eligible Dependent is considered to be:

- your Spouse, as defined in Section 14, *Glossary*;
- your same-sex domestic partner;
- your, your domestic partner's or your Spouse's child who is under age 26, including a natural child, stepchild, a legally adopted child, a child placed for adoption or a child for whom you or your Spouse are the legal guardian; or
- an unmarried child age 26 or over who is or becomes disabled and dependent upon you.

To be eligible for coverage under the Plan, a Dependent must reside within the United States.

Note: Your Dependents may not enroll in the Plan unless you are also enrolled. In addition, if you and your Spouse are both covered under the Air Liquide USA LLC Health Benefit Plan, only one parent may enroll your child as a Dependent.

A Dependent also includes a child for whom health care coverage is required through a Qualified Medical Child Support Order or other court or administrative order, as described in Section 13, *Other Important Information*.

Cost of Coverage

You and Air Liquide USA LLC share in the cost of the Plan. Your contribution amount depends on the Plan you select and the family members you choose to enroll.

Your contributions are deducted from your paychecks on a before-tax basis. Before-tax dollars come out of your pay before federal income and Social Security taxes are withheld - and in most states, before state and local taxes are withheld. This gives your contributions a special tax advantage and lowers the actual cost to you.

Your contributions are subject to review and Air Liquide USA LLC reserves the right to change your contribution amount from time to time.

You can obtain current contribution rates by calling Human Resources.

How to Enroll

To enroll, call Human Resources within 31 days of the date you first become eligible for medical Plan coverage. If you do not enroll within 31 days, you will need to wait until the next annual Open Enrollment to make your benefit elections.

Each year during annual Open Enrollment, you have the opportunity to review and change your medical election. Any changes you make during Open Enrollment will become effective the following January 1.

Important

If you wish to change your benefit elections following your marriage, birth, adoption of a child, placement for adoption of a child or other family status change, you must contact Human Resources within 31 days of the event. Otherwise, you will need to wait until the next annual Open Enrollment to change your elections.

When Coverage Begins

Once Human Resources receives your properly completed enrollment, coverage will begin on your date of hire. Coverage for your Dependents will start on the date your coverage begins, provided you have enrolled them in a timely manner.

Coverage for a Spouse or Dependent stepchild that you acquire via marriage becomes effective the date of your marriage, provided you notify Human Resources within 31 days of your marriage. Coverage for Dependent children acquired through birth, adoption, or placement for adoption is effective the date of the family status change, provided you notify Human Resources within 31 days of the birth, adoption, or placement.

If You Are Hospitalized When Your Coverage Begins

If you are an inpatient in a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility on the day your coverage begins, the Plan will pay Benefits for Covered Health Services related to that Inpatient Stay as long as you receive Covered Health Services in accordance with the terms of the Plan.

You should notify UnitedHealthcare within 48 hours of the day your coverage begins, or as soon as is reasonably possible. Network Benefits are available only if you receive Covered Health Services from Network providers.

Changing Your Coverage

You may make coverage changes during the year only if you experience a change in family status. The change in coverage must be consistent with the change in status (e.g., you cover your Spouse following your marriage, your child following an adoption, etc.). The following are considered family status changes for purposes of the Plan:

- your marriage, divorce, legal separation or annulment;
- the birth, adoption, placement for adoption or legal guardianship of a child;
- a change in your Spouse's employment or involuntary loss of health coverage (other than coverage under the Medicare or Medicaid programs) under another employer's plan;
- loss of coverage due to the exhaustion of another employer's COBRA benefits, provided you were paying for premiums on a timely basis;
- the death of a Dependent;
- your Dependent child no longer qualifying as an eligible Dependent;
- a change in your or your Spouse's position or work schedule that impacts eligibility for health coverage;
- contributions were no longer paid by the employer (This is true even if you or your eligible Dependent continues to receive coverage under the prior plan and to pay the amounts previously paid by the employer);
- you or your eligible Dependent who were enrolled in an HMO no longer live or work in that HMO's service area and no other benefit option is available to you or your eligible Dependent;
- benefits are no longer offered by the Plan to a class of individuals that include you or your eligible Dependent;
- termination of your or your Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage as a result of loss of eligibility (you must contact Human Resources within 60 days of termination);
- you or your Dependent become eligible for a premium assistance subsidy under Medicaid or CHIP (you must contact Human Resources within 60 days of determination of subsidy eligibility);
- a strike or lockout involving you or your Spouse; or
- a court or administrative order.

Unless otherwise noted above, if you wish to change your elections, you must contact Human Resources within 31 days of the change in family status. Otherwise, you will need to wait until the next annual Open Enrollment.

While some of these changes in status are similar to qualifying events under COBRA, you, or your eligible Dependent, do not need to elect COBRA continuation coverage to take advantage of the special enrollment rights listed above. These will also be available to you or your eligible Dependent if COBRA is elected.

Note: Any child under age 26 who is placed with you for adoption will be eligible for coverage on the date the child is placed with you, even if the legal adoption is not yet final. If you do not legally adopt the child, all medical Plan coverage for the child will end when the placement ends. No provision will be made for continuing coverage (such as COBRA coverage) for the child.

Change in Family Status - Example

Jane is married and has two children who qualify as Dependents. At annual Open Enrollment, she elects not to participate in Air Liquide USA LLC's medical plan, because her husband, Tom, has family coverage under his employer's medical plan. In June, Tom loses his job as part of a downsizing. As a result, Tom loses his eligibility for medical coverage. Due to this family status change, Jane can elect family medical coverage under Air Liquide USA LLC's medical plan outside of annual Open Enrollment.

SECTION 3 - HOW THE PLAN WORKS

What this section includes:

- Accessing Network and Non-Network Benefits;
- Eligible Expenses;
- Annual Deductible;
- Coinsurance; and
- Out-of-Pocket Maximum.

Accessing Network and Non-Network Benefits

As a participant in this Plan, you have the freedom to choose the Physician or health care professional you prefer each time you need to receive Covered Health Services. The choices you make affect the amounts you pay, as well as the level of Benefits you receive and any benefit limitations that may apply.

You are eligible for the Network level of Benefits under this Plan when you receive Covered Health Services from Physicians and other health care professionals who have contracted with UnitedHealthcare to provide those services.

You can choose to receive Network Benefits or Non-Network Benefits.

Network Benefits apply to Covered Health Services that are provided by a Network Physician or other Network provider. Emergency Health Services are always paid as Network Benefits. For facility charges, these are Benefits for Covered Health Services that are billed by a Network facility and provided under the direction of either a Network or non-Network Physician or other provider. Network Benefits include Physician services provided in a Network facility by a Network or a non-Network radiologist, anesthesiologist, pathologist and Emergency room Physician.

Non-Network Benefits apply to Covered Health Services that are provided by a non-Network Physician or other non-Network provider, or Covered Health Services that are provided at a non-Network facility.

Generally, when you receive Covered Health Services from a Network provider, you pay less than you would if you receive the same care from a non-Network provider. Therefore, in most instances, your out-of-pocket expenses will be less if you use a Network provider.

If you choose to seek care outside the Network, the Plan generally pays Benefits at a lower level. You are required to pay the amount that exceeds the Eligible Expense. The amount in excess of the Eligible Expense could be significant, and this amount does not apply to the Out-of-Pocket Maximum. You may want to ask the non-Network provider about their billed charges before you receive care.

Health Services from Non-Network Providers Paid as Network Benefits

If specific Covered Health Services are not available from a Network provider, you may be eligible to receive Network Benefits from a non-Network provider. In this situation, your Network Physician will notify the Claims Administrator and if the Claims Administrator confirms that care is not available from a Network provider, the Claims Administrator will work with you and your Network Physician to coordinate care through a non-Network provider.

When you receive Covered Health Services through a Network Physician, the Plan will pay Network Benefits for those Covered Health Services, even if one or more of those Covered Health Services is received from a non-Network provider.

Looking for a Network Provider?

In addition to other helpful information, www.myuhc.com, UnitedHealthcare's consumer website, contains a directory of health care professionals and facilities in UnitedHealthcare's Network. While Network status may change from time to time, www.myuhc.com has the most current source of Network information. Use www.myuhc.com to search for Physicians available in your Plan.

Network Providers

UnitedHealthcare or its affiliates arrange for health care providers to participate in a Network. At your request, UnitedHealthcare will send you a directory of Network providers free of charge. Keep in mind, a provider's Network status may change. To verify a provider's status or request a provider directory, you can call UnitedHealthcare at the toll-free number on your ID card or log onto www.myuhc.com.

Network providers are independent practitioners and are not employees of Air Liquide USA LLC or UnitedHealthcare.

Possible Limitations on Provider Use

If UnitedHealthcare determines that you are using health care services in a harmful or abusive manner, you may be required to select a Network Physician to coordinate all of your future Covered Health Services. If you don't make a selection within 31 days of the date you are notified, UnitedHealthcare will select a Network Physician for you. In the event that you do not use the Network Physician to coordinate all of your care, any Covered Health Services you receive will be paid at the non-Network level.

Eligible Expenses

Eligible Expenses are charges for Covered Health Services that are provided while the Plan is in effect, determined according to the definition in Section 14, *Glossary*. For certain Covered Health Services, the Plan will not pay these expenses until you have met your Annual Deductible. Air Liquide USA LLC has delegated to UnitedHealthcare the initial discretion and authority to decide whether a treatment or supply is a Covered Health Service and how the Eligible Expenses will be determined and otherwise covered under the Plan.

Don't Forget Your ID Card

Remember to show your UnitedHealthcare ID card every time you receive health care services from a provider. If you do not show your ID card, a provider has no way of knowing that you are enrolled under the Plan.

Annual Deductible

The Annual Deductible is the amount of Eligible Expenses you must pay each calendar year for Covered Health Services before you are eligible to begin receiving Benefits. There are separate Network and non-Network Annual Deductibles for this Plan. The amounts you pay toward your Annual Deductible accumulate over the course of the calendar year.

When a Covered Person was previously covered under a benefit plan that was replaced by the Plan, any amount already applied to that annual deductible provision of the prior plan will apply to the Annual Deductible provision under this Plan.

Coinsurance

Coinsurance is the percentage of Eligible Expenses that you are responsible for paying. Coinsurance is a fixed percentage that applies to certain Covered Health Services after you meet the Annual Deductible.

Coinsurance – Example

Let's assume that you receive Plan Benefits for outpatient surgery from a Network provider. Since the Plan pays 80% after you meet the Annual Deductible, you are responsible for paying the other 20%. This 20% is your Coinsurance.

Out-of-Pocket Maximum

The annual Out-of-Pocket Maximum is the most you pay each calendar year for Covered Health Services. There are separate Network and non-Network Out-of-Pocket Maximums for this Plan. If your eligible out-of-pocket expenses in a calendar year exceed the annual maximum, the Plan pays 100% of Eligible Expenses for Covered Health Services through the end of the calendar year.

The following table identifies what does and does not apply toward your Network and non-Network Out-of-Pocket Maximums:

Plan Features	Applies to the Network Out-of-Pocket Maximum?	Applies to the Non-Network Out-of-Pocket Maximum?
Payments toward the Annual Deductible	Yes	Yes
Coinsurance Payments	Yes	Yes
Charges for non-Covered Health Services	No	No
The amounts of any reductions in Benefits you incur by not notifying Care Coordination SM	No	No
Charges that exceed Eligible Expenses	No	No

SECTION 4 - CARE COORDINATIONSM

What this section includes:

- An overview of the Care CoordinationSM program; and
- Covered Health Services for which you need to contact Care CoordinationSM.

UnitedHealthcare provides a program called Care CoordinationSM designed to encourage personalized, efficient care for you and your covered Dependents.

Care CoordinationSM nurses center their efforts on prevention, education, and closing any gaps in your care. The goal of the program is to ensure you receive the most appropriate and cost-effective services available. A Care CoordinationSM nurse is notified when you or your provider calls the toll-free number on your ID card regarding an upcoming treatment or service.

Care CoordinationSM nurses will provide a variety of different services to help you and your covered family members receive appropriate medical care. Program components are subject to change without notice. As of the publication of this SPD, the Care CoordinationSM program includes:

- **Admission counseling** - For upcoming inpatient Hospital admissions for certain conditions, a Care CoordinationSM nurse may call you to help answer your questions and to make sure you have the information and support you need for a successful recovery.
- **Inpatient care management** - If you are hospitalized, a Care CoordinationSM nurse will work with your Physician to make sure you are getting the care you need and that your Physician's treatment plan is being carried out effectively.
- **Readmission Management** - This program serves as a bridge between the Hospital and your home if you are at high risk of being readmitted. After leaving the Hospital, if you have a certain chronic or complex condition, you may receive a phone call from a Care CoordinationSM nurse to confirm that medications, needed equipment, or follow-up services are in place. The Care CoordinationSM nurse will also share important health care information, reiterate and reinforce discharge instructions, and support a safe transition home.
- **Risk Management** - Designed for participants with certain chronic or complex conditions, this program addresses such health care needs as access to medical specialists, medication information, and coordination of equipment and supplies. Participants may receive a phone call from a Care CoordinationSM nurse to discuss and share important health care information related to the participant's specific chronic or complex condition.

If you do not receive a call from a Care CoordinationSM nurse but feel you could benefit from any of these programs, please call the toll-free number on your ID card.

Requirements for Notifying Care CoordinationSM

Network providers are generally responsible for notifying Care CoordinationSM before they provide certain services to you. However, there are some Network Benefits for which you are responsible for notifying Care CoordinationSM.

When you choose to receive certain Covered Health Services from non-Network providers, you are responsible for notifying Care CoordinationSM before you receive these Covered Health Services. In many cases, your Non-Network Benefits will be reduced if the Claims Administrator is not notified.

The services that require notification are:

- ambulance – non-emergent air and ground;
- Clinical Trials;
- Congenital heart disease surgery;
- dental services - accident only;
- Durable Medical Equipment for items that will cost more than \$1,000 to purchase or rent;
- home health care;
- hospice care - inpatient;
- Hospital Inpatient Stay - all scheduled admissions;
- maternity care that exceeds the delivery timeframes as described in Section 6, *Additional Coverage Details*;
- Mental Health Services - inpatient services (including Partial Hospitalization/Day Treatment and services at a Residential Treatment Facility); intensive outpatient program treatment; outpatient electro-convulsive treatment; psychological testing; extended outpatient treatment visits beyond 45 - 50 minutes in duration, with or without medication management;
- Neurobiological Disorders - Mental Health Services for Autism Spectrum Disorders - inpatient services (including Partial Hospitalization/Day treatment and services at a Residential Treatment Facility); intensive outpatient program treatment; outpatient electro-convulsive treatment; psychological testing; extended outpatient treatment visits beyond 45 - 50 minutes in duration, with or without medication management;
- obesity surgery;
- Reconstructive Procedures, including breast reconstruction surgery following mastectomy;
- Skilled Nursing Facility/Inpatient Rehabilitation Facility Services; and
- transplantation services.

When you choose to receive services from non-Network providers, UnitedHealthcare urges you to confirm that the services you plan to receive are Covered Health Services. That's because in some instances, certain procedures may not meet the definition of a Covered Health Service and therefore are excluded. In other instances, the same procedure may meet the definition of Covered Health Services.

Notification is required within one business day of admission or on the same day of admission if reasonably possible after you are admitted to a non-Network Hospital as a result of an Emergency.

For notification timeframes, and reductions in Benefits that apply if you do not notify Care CoordinationSM, see Section 6, *Additional Coverage Details*.

Contacting the Claims Administrator or Care CoordinationSM is easy.
Simply call the toll-free number on your ID card.

Special Note Regarding Medicare

If you are enrolled in Medicare on a primary basis and Medicare pays benefits before the Plan, you are not required to notify Care CoordinationSM before receiving Covered Health Services. Since Medicare pays benefits first, the Plan will pay Benefits second as described in Section 10, *Coordination of Benefits (COB)*.

SECTION 5 - PLAN HIGHLIGHTS

The table below provides an overview of the Plan's Annual Deductible and Out-of-Pocket Maximum.

Plan Features	Network	Non-Network
<p>Annual Deductible^{1,2}</p> <ul style="list-style-type: none"> ■ Individual ■ Family (cumulative Annual Deductible²) 	<p>\$1,500</p> <p>\$3,000</p>	<p>\$4,500</p> <p>\$9,000</p>
<p>Annual Out-of-Pocket Maximum^{1,3}</p> <ul style="list-style-type: none"> ■ Individual ■ Family (cumulative Out-of-Pocket Maximum²) 	<p>\$3,500</p> <p>\$7,000</p>	<p>\$10,500</p> <p>\$21,000</p>
<p>Lifetime Maximum Benefit⁴</p> <p>There is no dollar limit to the amount the Plan will pay for essential Benefits during the entire period you are enrolled in this Plan.</p>	<p>Unlimited</p>	

¹The Annual Deductible applies toward the Out-of-Pocket Maximum for all Covered Health Services.

²The Plan does not require that you or a covered Dependent meet the single Deductible in order to satisfy the family Deductible. If more than one person in a family is covered under the Plan, the single coverage Deductible stated in the table above does not apply. Instead, the family Deductible applies and no one in the family is eligible to receive Benefits until the family Deductible is satisfied.

³The Plan does not require that you or a covered Dependent meet the single Out-of-Pocket Maximum in order to satisfy the Out-of-Pocket Maximum. If more than one person in a family is covered under the Plan, the single coverage Out-of-Pocket Maximum stated in the table above does not apply. Instead, for family coverage the family Out-of-Pocket Maximum applies.

⁴Generally the following are considered to be essential benefits under the Patient Protection and Affordable Care Act:

Ambulatory patient services; emergency services, hospitalization; maternity and newborn care, mental health and substance use disorder services (including behavioral health treatment); prescription drugs; rehabilitative and habilitative services and devices; laboratory services; preventive and wellness services and chronic disease management; and pediatric services, including oral and vision care.

This table provides an overview of the Plan's coverage levels. For detailed descriptions of your Benefits, refer to Section 6, *Additional Coverage Details*.

Covered Health Services ¹ See Section 6, Additional Coverage Details, for limits	Percentage of Eligible Expenses Payable by the Plan:	
	Network	Non-Network
Acupuncture Services	80% after you meet the Annual Deductible	60% after you meet the Annual Deductible

¹You must notify Care CoordinationSM, as described in Section 4, *Care CoordinationSM* to receive full Benefits before receiving certain Covered Health Services from a non-Network provider. In general, if you visit a Network provider, that provider is responsible for notifying Care CoordinationSM before you receive certain Covered Health Services. See Section 6, *Additional Coverage Details* for further information.

²These Benefits are for Covered Health Services provided through CRS at a Designated Facility. For oncology services not provided through CRS, the Plan pays Benefits as described under *Physician's Office Services - Sickness and Injury, Physician Fees for Surgical and Medical Services, Hospital - Inpatient Stay, Surgery - Outpatient, Scopic Procedures - Outpatient Diagnostic and Therapeutic Lab, X-Ray and Diagnostics – Outpatient, and Lab, X-Ray and Major Diagnostics – CT, PET, MRI, MRA and Nuclear Medicine – Outpatient.*

SECTION 6 - ADDITIONAL COVERAGE DETAILS

What this section includes:

- Covered Health Services for which the Plan pays Benefits; and
- Covered Health Services that require you to notify Care CoordinationSM before you receive them, and any reduction in Benefits that may apply if you do not call Care CoordinationSM.

This section supplements the second table in Section 5, *Plan Highlights*.

While the table provides you with Benefit limitations along with Coinsurance and Annual Deductible information for each Covered Health Service, this section includes descriptions of the Benefits. These descriptions include any additional limitations that may apply, as well as Covered Health Services for which you must call Care CoordinationSM. The Covered Health Services in this section appear in the same order as they do in the table for easy reference. Services that are not covered are described in Section 8, *Exclusions*.

Acupuncture Services

Acupuncture services for pain therapy when the service is performed by a [Network] provider in the provider's office.

Did you know...

You generally pay less out-of-pocket when you use a Network provider?

Ambulance Services - Emergency only

Emergency ambulance transportation by a licensed ambulance service to the nearest Hospital where Emergency health services can be performed.

Ambulance Services - Non-Emergency

Transportation by professional ambulance (not including air ambulance) between medical facilities.

Transportation by regularly-scheduled airline, railroad or air ambulance, to the nearest medical facility qualified to give the required treatment.

In most cases, the Claims Administrator will initiate and direct non-Emergency ambulance transportation. If you are requesting non-Emergency ambulance services, please remember that you must notify Care CoordinationSM as soon as possible prior to the transport. If Care CoordinationSM is not notified, you will be responsible for paying all charges and no Benefits will be paid.

Cancer Resource Services (CRS)

The Plan pays Benefits for oncology services provided by Designated Facilities participating in the Cancer Resource Services (CRS) program. Designated Facility is defined in Section 14, *Glossary*.

For oncology services and supplies to be considered Covered Health Services, they must be provided to treat a condition that has a primary or suspected diagnosis relating to cancer. If you or a covered Dependent has cancer, you may:

- be referred to CRS by Care CoordinationSM;
- call CRS toll-free at (866) 936-6002; or
- visit www.myoptumhealthcomplexmedical.com.

To receive Benefits for a cancer-related treatment, you are not required to visit a Designated Facility. If you receive oncology services from a facility that is not a Designated Facility, the Plan pays Benefits as described under:

- Physician's Office Services - Sickness and Injury;
- Physician Fees for Surgical and Medical Services;
- Outpatient Surgery, Diagnostic and Therapeutic Services;
- Therapeutic Treatments - Outpatient;
- Hospital - Inpatient Stay; and
- Surgery - Outpatient.

To receive Benefits under the CRS program, you must contact CRS prior to obtaining Covered Health Services. The Plan will only pay Benefits under the CRS program if CRS provides the proper notification to the Designated Facility provider performing the services (even if you self-refer to a provider in that Network).

Clinical Trials

The Plan pays for routine patient care costs incurred during participation in a qualifying Clinical Trial for the treatment of:

- cancer;
- cardiovascular disease (cardiac/stroke);
- surgical musculoskeletal disorders of the spine, hip, and knees.

Benefits include the reasonable and necessary items and services used to diagnose and treat complications arising from participation in a qualifying Clinical Trial.

Benefits are available only when the Covered Person is clinically eligible for participation in the Clinical Trial as defined by the researcher. Benefits are not available for preventive Clinical Trials.

Routine patient care costs for Clinical Trials include:

- Covered Health Services for which Benefits are typically provided absent a Clinical Trial;
- Covered Health Services required solely for the provision of the investigational item or service, the clinically appropriate monitoring of the effects of the item or service, or the prevention of complications; and
- Covered Health Services needed for reasonable and necessary care arising from the provision of an investigational item or service.

Routine costs for Clinical Trials do not include:

- the Experimental or Investigational Service or item. The only exceptions to this are:
 - certain Category B devices;
 - certain promising interventions for patients with terminal illnesses; or
 - other items and services that meet specified criteria in accordance with the Claims Administrator's medical and drug policies.
- items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; and
- items and services provided by the research sponsors free of charge for any person enrolled in the trial.

To be a qualifying Clinical Trial, a Clinical Trial must meet all of the following criteria:

- be sponsored and provided by a cancer center that has been designated by the National Cancer Institute (NCI) as a Clinical Cancer Center or Comprehensive Cancer Center or be sponsored by any of the following:
 - National Institutes of Health (NIH). (Includes National Cancer Institute (NCI).)
 - Centers for Disease Control and Prevention (CDC);
 - Agency for Healthcare Research and Quality (AHRQ);
 - Centers for Medicare and Medicaid Services (CMS);
 - Department of Defense (DOD); or
 - Veterans Administration (VA).
- have a written protocol that describes a scientifically sound study and have been approved by all relevant institutional review boards (IRBs) before participants are enrolled in the trial. the Claims Administrator may, at any time, request documentation about the trial; and
- the subject or purpose of the trial must be the evaluation of an item or service that meets the definition of a Covered Health Service and is not otherwise excluded under the Plan.

Benefits are available when the Covered Health Services are provided by either Network or non-Network providers, however the non-Network provider must agree to accept the

Network level of reimbursement by signing a network provider agreement specifically for the patient enrolling in the trial. (Non-Network Benefits are not available if the non-Network provider does not agree to accept the Network level of reimbursement.)

Please remember that you must notify Care CoordinationSM as soon as the possibility of participation in a Clinical Trial arises.

Congenital Heart Disease (CHD) Surgeries

The Plan pays Benefits for Congenital Heart Disease (CHD) services ordered by a Physician and received at a CHD Resource Services program. Benefits include the facility charge and the charge for supplies and equipment. Benefits are available for the following CHD services:

- outpatient diagnostic testing;
- evaluation;
- surgical interventions;
- interventional cardiac catheterizations (insertion of a tubular device in the heart);
- fetal echocardiograms (examination, measurement and diagnosis of the heart using ultrasound technology); and
- approved fetal interventions.

CHD services other than those listed above are excluded from coverage, unless determined by United Resource Networks or Care CoordinationSM to be proven procedures for the involved diagnoses. Contact United Resource Networks at (888) 936-7246 or Care CoordinationSM at the toll-free number on your ID card for information about CHD services.

If you receive Congenital Heart Disease services from a facility that is not a Designated Facility, the Plan pays Benefits as described under:

- Physician's Office Services - Sickness and Injury;
- Physician Fees for Surgical and Medical Services;
- Outpatient Surgery, Diagnostic and Therapeutic Services;
- Therapeutic Treatments - Outpatient;
- Hospital - Inpatient Stay; and
- Surgery - Outpatient.

Please remember for Non-Network Benefits, you must notify United Resource Networks or Care CoordinationSM as soon as CHD is suspected or diagnosed. If United Resource Networks or Care CoordinationSM is not notified, Benefits for Covered Health Services will be reduced to 50% of Eligible Expenses.

Dental Services - Accident Only

Dental services when all of the following are true:

- treatment is necessary because of accidental damage;
- dental services are received from a Doctor of Dental Surgery, "D.D.S." or Doctor of Medical Dentistry, "D.M.D.";
- the dental damage is severe enough that initial contact with a Physician or dentist occurred within 72 hours of the accident.

Benefits are available only for treatment of a sound, natural tooth. The Physician or dentist must certify that the injured tooth was:

- a virgin or unrestored tooth; or
- a tooth that has no decay, no filling on more than two surfaces, no gum disease associated with bone loss, no root canal therapy, is not a dental implant and functions normally in chewing and speech.

Dental services for final treatment to repair the damage must be both of the following:

- started within three months of the accident.
- completed within 12 months of the accident.

Please note that dental damage that occurs as a result of normal activities of daily living or extraordinary use of the teeth is not considered an "accident". Benefits are not available for repairs to teeth that are injured as a result of such activities.

Please remember that for Non-Network Benefits, you must notify Care CoordinationSM as soon as possible, but at least five business days before follow-up (post-Emergency) treatment begins. You do not have to provide notification before the initial Emergency treatment. When you provide notification, Care CoordinationSM can determine whether the service is a Covered Health Service. If Care CoordinationSM is not notified, Benefits for Covered Health Services will be reduced to 50% of Eligible Expenses.

Diabetes Services

The Plan pays Benefits for the Covered Health Services identified below.

Covered Diabetes Services	
Diabetes Self-Management and Training/Diabetic Eye Examinations/Foot Care	<p>Benefits include outpatient self-management training for the treatment of diabetes, education and medical nutrition therapy services. These services must be ordered by a Physician and provided by appropriately licensed or registered healthcare professionals.</p> <p>Benefits under this section also include medical eye examinations (dilated retinal examinations) and preventive foot care for Covered Persons with diabetes.</p>
Diabetic Self-Management Items	<p>Insulin pumps and supplies for the management and treatment of diabetes, based upon the medical needs of the Covered Person including, but not limited to:</p> <ul style="list-style-type: none"> ■ blood glucose monitors; ■ insulin syringes with needles; ■ blood glucose and urine test strips; ■ ketone test strips and tablets; and ■ lancets and lancet devices. <p>Insulin pumps are subject to all the conditions of coverage stated under <i>Durable Medical Equipment</i> in this section.</p> <p>Benefits for diabetes equipment that meet the definition of Durable Medical Equipment are not subject to the limit stated under <i>Durable Medical Equipment</i> in this section.</p>
<p>Please remember for Non-Network Benefits, you must notify Care CoordinationSM before obtaining any Durable Medical Equipment for the management and treatment of diabetes if the purchase, rental, repair or replacement of DME will cost more than \$1,000. You must purchase or rent the DME from the vendor Care CoordinationSM identifies. If Care CoordinationSM is not notified, Benefits will be reduced to 50% of Eligible Expenses.</p>	

Durable Medical Equipment (DME)

The Plan pays for Durable Medical Equipment (DME) that meets each of the following:

- ordered or provided by a Physician for outpatient use;
- used for medical purposes;
- not consumable or disposable; and
- not of use to a person in the absence of a disease or disability.

If more than one piece of DME can meet your functional needs, Benefits are available only for the most Cost-Effective piece of equipment.

Examples of DME include but are not limited to:

- equipment to assist mobility, such as a standard wheelchair;
- a standard Hospital-type bed;
- oxygen concentrator units and the rental of equipment to administer oxygen;
- delivery pumps for tube feedings;
- braces, including necessary adjustments to shoes to accommodate braces. Braces that stabilize an Injured body part and braces to treat curvature of the spine are considered Durable Medical Equipment and are a Covered Health Service. Braces that straighten or change the shape of a body part are orthotic devices, and are excluded from coverage. Dental braces are also excluded from coverage.
- mechanical equipment necessary for the treatment of chronic or acute respiratory failure (except that air-conditioners, humidifiers, dehumidifiers, air purifiers and filters, and personal comfort items are excluded from coverage).

UnitedHealthcare provides Benefits only for a single purchase (including repair/replacement) of a type of Durable Medical Equipment once every three calendar years.

Please remember for Non-Network Benefits, you must notify Care CoordinationSM if the purchase, rental, repair or replacement of DME will cost more than \$1,000. If Care CoordinationSM is not notified, Benefits will be reduced to 50% of Eligible Expenses.

Emergency Health Services - Outpatient

The Plan pays for services that are required to stabilize or initiate treatment in an Emergency. Emergency health services must be received on an outpatient basis at a Hospital or Alternate Facility. **Health Services for emergency and illness provided in a foreign country are eligible for reimbursement under the Plan. Claims will be processed based on billed charges and are subject to the applicable Deductible and Coinsurance.**

Network Benefits will be paid for an Emergency admission to a non-Network Hospital as long as Care CoordinationSM is notified within two business days of the admission or on the same day of admission if reasonably possible after you are admitted to a non-Network Hospital. If you continue your stay in a non-Network Hospital after the date your Physician determines that it is medically appropriate to transfer you to a Network Hospital, Non-Network Benefits will apply.

Benefits under this section are available for services to treat a condition that does not meet the definition of an Emergency.

Please remember for Non-Network Benefits, you must notify Care CoordinationSM within two business days of the admission or on the same day of admission if reasonably possible if you are admitted to a Hospital as a result of an Emergency. If Care CoordinationSM is not notified, Benefits for the Inpatient Hospital Stay will be reduced to 50% of Eligible Expenses.

Hearing Aids

The Plan pays Benefits for hearing aids required for the correction of a hearing impairment (a reduction in the ability to perceive sound which may range from slight to complete deafness). Hearing aids are electronic amplifying devices designed to bring sound more effectively into the ear. A hearing aid consists of a microphone, amplifier and receiver.

Benefits are available for a hearing aid that is purchased as a result of a written recommendation by a Physician. Benefits are provided for the hearing aid and for charges for associated fitting and testing.

Benefits do not include bone anchored hearing aids. Bone anchored hearing aids are a Covered Health Service for which Benefits are available under the applicable medical/surgical Covered Health Services categories in this section only for Covered Persons who have either of the following:

- craniofacial anomalies whose abnormal or absent ear canals preclude the use of a wearable hearing aid; or
- hearing loss of sufficient severity that it would not be adequately remedied by a wearable hearing aid.

Home Health Care

Covered Health Services are services received from a Home Health Agency that are both of the following:

- ordered by a Physician; and
- provided by or supervised by a registered nurse in your home.

Benefits are available only when the Home Health Agency services are provided on a part-time, intermittent schedule and when skilled home health care is required.

Benefits for Home Health Agency services include private duty nursing.

Skilled home health care is skilled nursing, skilled teaching, and skilled rehabilitation services when all of the following are true:

- it must be delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome, and provide for the safety of the patient;
- it is ordered by a Physician;
- it is not delivered for the purpose of assisting with activities of daily living, including but not limited to dressing, feeding, bathing or transferring from a bed to a chair;
- it requires clinical training in order to be delivered safely and effectively; and
- it is not Custodial Care.

Any combination of Network Benefits and Non-Network Benefits for home health care is limited to 40 visits per calendar year. One visit equals four hours of Skilled Care services.

Any combination of Network Benefits and Non-Network Benefits for Private Duty Nursing is limited to 40 visits per calendar year. One visit equals four hours of Skilled Care services.

Please remember for Non-Network Benefits, you must notify Care CoordinationSM five business days before receiving services or as soon as reasonably possible. If Care CoordinationSM is not notified, Benefits will be reduced to 50% of Eligible Expenses.

Hospice Care

The Plan pays Benefits for hospice care that is recommended by a Physician. Hospice care is an integrated program that provides comfort and support services for the terminally ill. Hospice care includes physical, psychological, social, respite and spiritual care for the terminally ill person, and short-term grief counseling for immediate family members. Benefits are available only when hospice care is received from a licensed hospice agency, which can include a Hospital.

Any combination of Network Benefits and Non-Network Benefits for bereavement counseling is limited to 3 days per Covered Person during the entire period you are covered under the Plan.

Please remember for Non-Network Benefits, you must notify Care CoordinationSM five business days before receiving services. If Care CoordinationSM is not notified, Benefits will be reduced to 50% of Eligible Expenses.

Hospital - Inpatient Stay

Hospital Benefits are available for:

- non-Physician services and supplies received during the Inpatient Stay; and
- room and board in a Semi-private Room (a room with two or more beds).

Benefits for other Hospital-based Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Benefits for Emergency admissions and admissions of less than 24 hours are described under *Emergency Health Services* and *Outpatient Surgery, Diagnostic and Therapeutic Services*, respectively.

Please remember for Non-Network Benefits, you must notify Care CoordinationSM as follows:

- for elective admissions: five business days before admission or as soon as reasonably possible;
- for Emergency admissions (also termed non-elective admissions): within one business day or the same day of admission, or as soon as is reasonably possible.

If Care CoordinationSM is not notified, Benefits will be reduced to 50% of Eligible Expenses.

Injections received in a Physician's Office

The Plan pays for Benefits for injections received in a Physician's office when no other health service is received, for example allergy immunotherapy.

Kidney Resource Services (KRS)

The Plan pays Benefits for Comprehensive Kidney Solution (CKS) that covers both chronic kidney disease and End Stage Renal Disease (ESRD) disease provided by Designated Facilities participating in the Kidney Resource Services (KRS) program. Designated Facility is defined in Section 14, *Glossary*.

In order to receive Benefits under this program, KRS must provide the proper notification to the Network provider performing the services. This is true even if you self-refer to a Network provider participating in the program. Notification is required:

- prior to vascular access placement for dialysis; and
- prior to any ESRD services.

You or a covered Dependent may:

- be referred to KRS by Care CoordinationSM; or
- call KRS toll-free at (866) 561-7518.

To receive Benefits related to ESRD and chronic kidney disease, you are not required to visit a Designated Facility. If you receive services from a facility that is not a Designated Facility, the Plan pays Benefits as described under:

- Physician's Office Services - Sickness and Injury;
- Physician Fees for Surgical and Medical Services;
- Outpatient Surgery, Diagnostic and Therapeutic Services; and
- Hospital - Inpatient Stay; and

To receive Benefits under the KRS program, you must contact KRS prior to obtaining Covered Health Services. The Plan will only pay Benefits under the KRS program if KRS provides the proper notification to the Designated Facility provider performing the services (even if you self-refer to a provider in that Network).

Maternity Services

Benefits for Pregnancy will be paid at the same level as Benefits for any other condition, Sickness or Injury. This includes all maternity-related medical services for prenatal care, postnatal care, delivery, and any related complications.

There is a special prenatal program to help during Pregnancy. It is completely voluntary and there is no extra cost for participating in the program. To sign up, you should notify the Claims Administrator during the first trimester, but no later than one month prior to the anticipated childbirth.

UnitedHealthcare will pay Benefits for an Inpatient Stay of at least:

- 48 hours for the mother and newborn child following a vaginal delivery; and
- 96 hours for the mother and newborn child following a cesarean section delivery.

These are federally mandated requirements under the Newborns' and Mothers' Health Protection Act of 1996 which apply to this Plan. The Hospital or other provider is not required to get authorization for the time periods stated above. Authorizations are required for longer lengths of stay. If the mother agrees, the attending Physician may discharge the mother and/or the newborn child earlier than these minimum timeframes.

Please remember for Non-Network Benefits, you must notify Care CoordinationSM as soon as reasonably possible if the Inpatient Stay for the mother and/or the newborn will be longer than the timeframes indicated above. If Care CoordinationSM is not notified, Benefits for the extended stay will be reduced to 50% of Eligible Expenses.

Mental Health Services

Mental Health Services include those received on an inpatient basis in a Hospital or Alternate Facility, and those received on an outpatient basis in a provider's office or at an Alternate Facility.

Benefits include the following services provided on either an outpatient or inpatient basis:

- diagnostic evaluations and assessment;
- treatment planning;
- referral services;
- medication management;
- individual, family, therapeutic group and provider-based case management services; and
- crisis intervention.

Benefits include the following services provided on an inpatient basis:

- Partial Hospitalization/Day Treatment; and
- services at a Residential Treatment Facility.

Benefits include the following services on an outpatient basis:

- Intensive Outpatient Treatment.

The Mental Health/Substance Use Disorder Administrator determines coverage for all levels of care. If an Inpatient Stay is required, it is covered on a Semi-private Room basis.

You are encouraged to contact the Mental Health/Substance Use Disorder Administrator for referrals to providers and coordination of care.

Special Mental Health Programs and Services

Special programs and services that are contracted under the Mental Health/Substance Use Disorder Administrator may become available to you as part of your Mental Health Services benefit. The Mental Health Services Benefits and financial requirements assigned to these programs or services are based on the designation of the program or service to inpatient, Partial Hospitalization/Day Treatment, Intensive Outpatient Treatment, outpatient or a Transitional Care category of benefit use. Special programs or services provide access to services that are beneficial for the treatment of your Mental Illness which may not otherwise be covered under this Plan. You must be referred to such programs through the Mental Health/Substance Use Disorder Administrator, who is responsible for coordinating your

care or through other pathways as described in the program introductions. Any decision to participate in such program or service is at the discretion of the Covered Person and is not mandatory.

Please remember for Non-Network Benefits, you must notify the MH/SUD Administrator to receive these Benefits in advance of any treatment. Please refer to Section 4, *Care Coordination*SM for the specific services that require notification. Please call the phone number that appears on your ID card. Without notification, Benefits will be reduced to 50% of Eligible Expenses.

Neurobiological Disorders - Mental Health Services for Autism Spectrum Disorders

The Plan pays Benefits for psychiatric services for Autism Spectrum Disorders that are both of the following:

- provided by or under the direction of an experienced psychiatrist and/or an experienced licensed psychiatric provider; and
- focused on treating maladaptive/stereotypic behaviors that are posing danger to self, others and property and impairment in daily functioning.

These Benefits describe only the psychiatric component of treatment for Autism Spectrum Disorders. Medical treatment of Autism Spectrum Disorders is a Covered Health Service for which Benefits are available under the applicable medical Covered Health Services categories as described in this section.

Benefits include the following services provided on either an outpatient or inpatient basis:

- diagnostic evaluations and assessment;
- treatment planning;
- referral services;
- medication management;
- individual, family, therapeutic group and provider-based case management services; and
- crisis intervention.

Benefits include the following services provided on an inpatient basis:

- Partial Hospitalization/Day Treatment; and
- services at a Residential Treatment Facility.

Benefits include the following services provided on an outpatient basis:

- Intensive Outpatient Treatment.

The Mental Health/Substance Use Disorder Administrator determines coverage for all levels of care. If an Inpatient Stay is required, it is covered on a Semi-private Room basis.

You are encouraged to contact the Mental Health/Substance Use Disorder Administrator for referrals to providers and coordination of care.

Please remember for Non-Network Benefits, you must notify the MH/SUD Administrator to receive these Benefits. Please refer to Section 4, *Care CoordinationSM* for the specific services that require notification. Please call the phone number that appears on your ID card. Without notification, Benefits will be reduced to 50% of Eligible Expenses.

Obesity Surgery

The Plan covers surgical treatment of morbid obesity provided by or under the direction of a Physician provided all of the criteria are met:

- You have been an enrolled in the Plan for two years;
- you have a minimum Body Mass Index (BMI) of 40;
- you must have documentation of a diagnosis of morbid obesity for a minimum of five (5) years from a Physician;
- you must be over the average of 21; and
- the surgery must be performed in a Network Hospital by a Network surgeon. This is true even if there are no Network Hospitals near you.

Benefits are available for obesity surgery services that meet the definition of a Covered Health Service, as defined in Section 14, *Glossary* and are not Experimental or Investigational or Unproven Services. Please remember for Non-Network Benefits, you must notify Care CoordinationSM six months prior to surgery. If Care CoordinationSM is not notified, Benefits will be reduced to 50% of Eligible Expenses.

Ostomy Supplies

Benefits for ostomy supplies are limited to:

- pouches, face plates and belts;
- irrigation sleeves, bags and catheters; and
- skin barriers.

Benefits are not available for gauze, adhesive, adhesive remover, deodorant, pouch covers, or other items not listed above.

Outpatient Surgery, Diagnostic and Therapeutic Services

Outpatient Surgery

The Plan pays for Covered Health Services for surgery and related services received on an outpatient basis at a Hospital or Alternate Facility.

Benefits under this section include only the facility charge and the charge for required Hospital-based professional services, supplies and equipment. Benefits for the surgeon fees related to outpatient surgery are described under *Physician Fees for Surgical and Medical Services*.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services* below.

Outpatient Diagnostic Services

The Plan pays for Covered Health Services received on an outpatient basis at a Hospital or Alternate Facility including:

- Lab and radiology/X-ray.
- Mammography testing.

Benefits under this section include the facility charge, the charge for required services, supplies and equipment, and all related Physician Fees.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services* below.

This section does not include Benefits for CT scans, PET scans, MRIs, or nuclear medicine, which are described immediately below.

Outpatient Diagnostic/Therapeutic Services - CT Scans, PET Scans, MRI and Nuclear Medicine

The Plan pays for Covered Health Services for CT scans, PET scans, MRI, and nuclear medicine received on an outpatient basis at a Hospital or Alternate Facility.

Benefits under this section include the facility charge, the charge for required services, supplies and equipment, and all related Physician Fees.

Outpatient Therapeutic Treatments

The Plan pays for Covered Health Services for therapeutic treatments received on an outpatient basis at a Hospital or Alternate Facility, including dialysis, intravenous chemotherapy or other intravenous infusion therapy, and other treatments not listed above.

Benefits under this section include the facility charge, the charge for required services, supplies and equipment, and all related Physician Fees.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services* below.

Physician Fees for Surgical and Medical Services

The Plan pays for Physician Fees for surgical procedures and other medical care received in a Hospital, Skilled Nursing Facility, Inpatient Rehabilitation Facility or Alternate Facility or Physician house calls.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services* below.

Physician's Office Services - Sickness and Injury

Benefits are paid by the Plan for Covered Health Services received in a Physician's office for the evaluation and treatment of a Sickness or Injury. Benefits are provided under this section regardless of whether the Physician's office is free-standing, located in a clinic or located in a Hospital. Benefits under this section include allergy injections and hearing exams in case of Injury or Sickness.

Benefits for preventive services are described under *Preventive Care Services* in this section.

Please Note

Your Physician does not have a copy of your SPD, and is not responsible for knowing or communicating your Benefits.

Preventive Care Services

The Plan pays Benefit for preventive care services provided on an outpatient basis at a Physician's office, an Alternate Facility or a Hospital. Preventive care services encompass medical services that have been demonstrated by clinical evidence to be safe and effective in either the early detection of disease or in the prevention of disease, have been proven to have a beneficial effect on health outcomes and include the following as required under applicable law:

- evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;
- immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;
- with respect to infants, children and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and
- with respect to women, such additional preventive care and screenings as provided for in comprehensive guidelines supported by the Health Resources and Services Administration.

Preventive care Benefits defined under the Health Resources and Services Administration (HRSA) requirement include the cost of renting one breast pump per Pregnancy in conjunction with childbirth. Benefits for breast pumps also include the cost of purchasing one breast pump per Pregnancy in conjunction with childbirth. These Benefits are described under Section 6, *Plan Highlights*, under *Covered Health Services*.

If more than one breast pump can meet your needs, Benefits are available only for the most cost effective pump. UnitedHealthcare will determine the following:

- Which pump is the most cost effective;
- Whether the pump should be purchased or rented;
- Duration of a rental;
- Timing of an acquisition.

Benefits are only available if breast pumps are obtained from a DME provider or Physician.

For questions about your preventive care Benefits under this Plan call the number on the back of your ID card.

Prosthetic Devices

External prosthetic devices that replace a limb or an external body part, limited to:

- Artificial arms, legs, feet and hands.
- Artificial eyes, ears and noses.
- Breast prosthesis as required by the Women's Health and Cancer Rights Act of 1998. Benefits include mastectomy bras and lymphedema stockings for the arm.

Benefits are also provided for wigs that are required as a result of cancer.

If more than one prosthetic device can meet your functional needs, Benefits are available only for the most cost-effective prosthetic device.

The prosthetic device must be ordered or provided by, or under the direction of a Physician. Except for items required by the Women's Health and Cancer Rights Act of 1998, Benefits for prosthetic devices are limited to a single purchase of each type of prosthetic device every three calendar years.

Note: Prosthetic devices are different from DME - see *Durable Medical Equipment (DME)* in this section.

Reconstructive Procedures

Reconstructive Procedures are services performed when a physical impairment exists and the primary purpose of the procedure is to improve or restore physiologic function.

Reconstructive procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The fact that physical appearance may change or improve as a result of a reconstructive procedure does not classify such surgery as a Cosmetic Procedure when a physical impairment exists, and the surgery restores or improves function.

Cosmetic Procedures are excluded from coverage. Procedures that correct an anatomical Congenital Anomaly without improving or restoring physiologic function are considered Cosmetic Procedures. The fact that a Covered Person may suffer psychological consequences or socially avoidant behavior as a result of an Injury, Sickness or Congenital Anomaly does not classify surgery or other procedures done to relieve such consequences or behavior as a reconstructive procedure.

Please note that Benefits for reconstructive procedures include breast reconstruction following a mastectomy and reconstruction of the non-affected breast to achieve symmetry. Other services mandated by the Women's Health and Cancer Rights Act of 1998, including breast prostheses and treatment of complications, are provided in the same manner and at the same level as those for any Covered Health Service. You can contact UnitedHealthcare at the number on your ID card for more information about Benefits for mastectomy-related services.

Please remember that for Non-Network Benefits you must notify Care CoordinationSM five business days before undergoing a Reconstructive Procedure. When you provide notification, Care CoordinationSM can determine whether the service is considered reconstructive or cosmetic. Cosmetic Procedures are always excluded from coverage. If Care CoordinationSM is not notified, Benefits will be reduced to 50% of Eligible Expenses.

Rehabilitation Services - Outpatient Therapy

The Plan provides short-term outpatient rehabilitation services for:

- Physical therapy.
- Occupational therapy.
- Speech therapy.
- post-cochlear implant aural therapy.
- Pulmonary rehabilitation therapy.
- Cardiac rehabilitation therapy.

Rehabilitation services must be performed by a licensed therapy provider, under the direction of a Physician. Benefits under this section include rehabilitation services provided in a Physician's office or on an outpatient basis at a Hospital or Alternate Facility. Benefits are available only for rehabilitation services that are expected to result in significant physical improvement in your condition within two months of the start of treatment.

Please note that the Plan will pay Benefits for speech therapy only when the speech impediment or speech dysfunction results from Injury, stroke or a Congenital Anomaly.

Any combination of Network Benefits and Non-Network Benefits are limited to:

- unlimited visits per calendar year for physical therapy;
- unlimited visits per calendar year for occupational therapy;
- unlimited visits per calendar year for speech therapy;
- unlimited visits per calendar year for pulmonary rehabilitation therapy;
- unlimited visits per calendar year for cardiac rehabilitation therapy; and
- 30 visits per calendar year for post cochlear implant aural therapy.

Skilled Nursing Facility/Inpatient Rehabilitation Facility Services

The Plan pays for Covered Health Services for an Inpatient Stay in a Skilled Nursing Facility or Inpatient Rehabilitation Facility. Benefits are available for:

- services and supplies received during the Inpatient Stay; and
- room and board in a Semi-private Room (a room with two or more beds).

Any combination of Network Benefits and Non-Network Benefits is limited to 60 days per calendar year.

Please note that Benefits are available only for the care and treatment of an Injury or Sickness that would have otherwise required an Inpatient Stay in a Hospital.

Please remember for Non-Network Benefits, you must notify Care CoordinationSM as follows:

- for elective admissions: five business days before admission;
- for non-elective admission: within one business day or the same day of admission; and
- for Emergency admissions: as soon as is reasonably possible.

If Care CoordinationSM is not notified, Benefits will be reduced to 50% of Eligible Expenses.

Spinal Treatment

Benefits for Spinal Treatment when provided by a Spinal Treatment provider in the provider's office.

Benefits include diagnosis and related services and are limited to one visit and treatment per day.

Benefits for Spinal Treatment is limited to 1 visit per day. Benefits are covered up to 35 consecutive days per condition. All services billed during the chiropractic treatment will be covered. Treatment will be reviewed for medical necessity at 35 days.

Temporomandibular Joint (TMJ) Services

The Plan pays for Covered Health Services for diagnostic and surgical treatment of conditions affecting the temporomandibular joint when provided by or under the direction of a Physician. Coverage includes necessary diagnostic or surgical treatment required as a result of accident, trauma, congenital defect, developmental defect, or orpathology.

Benefits are not available for charges or services that are dental in nature.

Transplantation Services

Covered Health Services for organ and tissue transplants when ordered by a Physician. For Network Benefits, transplantation services must be received at a Designated Facility. Transplantation services provided at a non-Designated Facility will be covered as Non-Network Benefits. Benefits are available when the transplant meets the definition of a Covered Health Service, and is not an Experimental, Investigational or Unproven Service:

Notification is required for all transplant services.

The Copayment and Annual Deductible will not apply to Network Benefits when a transplant listed below is received at a Designated Facility. Examples of transplants for which Benefits are available include but are not limited to:

- bone marrow transplants (either from you or from a compatible donor) and peripheral stem cell transplants, with or without high dose chemotherapy. Not all bone marrow transplants meet the definition of a Covered Health Service. The search for bone marrow/stem cell from a donor who is not biologically related to the patient is a Covered Health Service only for a transplant received at a Designated Facility.
- heart transplants;
- heart/lung transplants;
- lung transplants;
- kidney transplants;
- kidney/pancreas transplants;
- liver transplants;

- liver/small bowel transplants;
- pancreas transplants; and
- small bowel transplants.

Benefits for cornea transplants that are provided by a Network Physician at a Network Hospital are paid as if the transplant was received at a Designated Facility. Cornea transplants are not required to be performed at a Designated Facility. Donor costs that are directly related to organ removal are Covered Health Services for which Benefits are payable through the organ recipient's coverage under the Plan.

Organ or tissue transplants or multiple organ transplants other than those listed above are excluded from coverage, unless determined by the Claims Administrator to be a proven procedure for the involved diagnoses.

Under the Plan there are specific guidelines regarding Benefits for transplant services. Contact the Claims Administrator at the telephone number on your ID card for information about these guidelines.

Please remember for Non-Network Benefits, you must notify Care CoordinationSM as soon as the possibility of a transplant arises (and before the time a pre-transplantation evaluation is performed at a transplant center).

If Care CoordinationSM is not notified, Benefits will be reduced to 50% of Eligible Expenses.

Urgent Care Center Services

The Plan pays for Covered Health Services received at an Urgent Care Center. When services to treat urgent health care needs are provided in a Physician's office, Benefits are available as described under *Physician's Office Services* earlier in this section.

SECTION 7 - RESOURCES TO HELP YOU STAY HEALTHY

What this section includes:

Health and well-being resources available to you, including:

- Consumer Solutions and Self-Service Tools;
- Disease and Condition Management Services; and
- Wellness Programs.

Air Liquide USA LLC believes in giving you the tools you need to be an educated health care consumer. To that end, Air Liquide USA LLC has made available several convenient educational and support services, accessible by phone and the Internet, which can help you to:

- take care of yourself and your family members;
- manage a chronic health condition; and
- navigate the complexities of the health care system.

NOTE:

Information obtained through the services identified in this section is based on current medical literature and on Physician review. It is not intended to replace the advice of a doctor. The information is intended to help you make better health care decisions and take a greater responsibility for your own health. UnitedHealthcare and Air Liquide USA LLC are not responsible for the results of your decisions from the use of the information, including, but not limited to, your choosing to seek or not to seek professional medical care, or your choosing or not choosing specific treatment based on the text.

Consumer Solutions and Self-Service Tools

NurseLineSM

NurseLineSM is a toll-free telephone service that puts you in immediate contact with an experienced registered nurse any time, 24 hours a day, seven days a week. Nurses can provide health information for routine or urgent health concerns. When you call, a registered nurse may refer you to any additional resources that Air Liquide USA LLC has available to help you improve your health and well-being or manage a chronic condition. Call any time when you want to learn more about:

- a recent diagnosis;
- a minor Sickness or Injury;
- men's, women's, and children's wellness;
- how to take prescription drugs safely;
- self-care tips and treatment options;
- healthy living habits; or
- any other health related topic.

NurseLineSM gives you another convenient way to access health information. By calling the same toll-free number, you can listen to one of the Health Information Library's over 1,100 recorded messages, with over half in Spanish.

NurseLineSM is available to you at no cost. To use this convenient service, simply call the toll-free number on the back of your ID card.

Note: If you have a medical emergency, call 911 instead of calling NurseLineSM.

Your child is running a fever and it's 1:00 AM. What do you do?

Call NurseLineSM toll-free, any time, 24 hours a day, seven days a week. You can count on NurseLineSM to help answer your health questions.

With NurseLineSM, you also have access to nurses online. To use this service, log onto www.myuhc.com and click "Live Nurse Chat" in the top menu bar. You'll instantly be connected with a registered nurse who can answer your general health questions any time, 24 hours a day, seven days a week. You can also request an e-mailed transcript of the conversation to use as a reference.

Note: If you have a medical emergency, call 911 instead of logging onto www.myuhc.com.

UnitedHealth PremiumSM Program

UnitedHealthcare designates Network Physicians and facilities as UnitedHealth PremiumSM Program Physicians or facilities for certain medical conditions. Physicians and facilities are evaluated on two levels - quality and efficiency of care. The UnitedHealth PremiumSM Program was designed to:

- help you make informed decisions on where to receive care;
- provide you with decision support resources; and
- give you access to Physicians and facilities across areas of medicine that have met UnitedHealthcare's quality and efficiency criteria.

For details on the UnitedHealth PremiumSM Program including how to locate a UnitedHealth PremiumSM Physician or facility, log onto www.myuhc.com or call the toll-free number on your ID card.

www.myuhc.com

UnitedHealthcare's member website, www.myuhc.com, provides information at your fingertips anywhere and anytime you have access to the Internet. www.myuhc.com opens the door to a wealth of health information and convenient self-service tools to meet your needs.

With www.myuhc.com you can:

- research a health condition and treatment options to get ready for a discussion with your Physician;
- search for Network providers available in your Plan through the online provider directory;
- access all of the content and wellness topics from NurseLine including Live Nurse Chat 24 hours a day, seven days a week;
- use the treatment cost estimator to obtain an estimate of the costs of various procedures in your area; and
- use the Hospital comparison tool to compare Hospitals in your area on various patient safety and quality measures.

Registering on www.myuhc.com

If you have not already registered as a www.myuhc.com subscriber, simply go to www.myuhc.com and click on "Register Now." Have your UnitedHealthcare ID card handy. The enrollment process is quick and easy.

Visit www.myuhc.com and:

- make real-time inquiries into the status and history of your claims;
- view eligibility and Plan Benefit information, including Annual Deductibles;
- view and print all of your Explanation of Benefits (EOBs) online; and
- order a new or replacement ID card or, print a temporary ID card.

Want to learn more about a condition or treatment?

Log on to www.myuhc.com and research health topics that are of interest to you. Learn about a specific condition, what the symptoms are, how it is diagnosed, how common it is, and what to ask your Physician.

Disease and Condition Management Services***Diabetes Prevention and Control***

UnitedHealthcare provides two programs that identify, assess, and support members over the age of 18 living with diabetes or pre-diabetes. The program is designed to support members in preventing pre-diabetics from progressing to diabetes and assist members living with diabetes in controlling their condition and from developing complications.

The Diabetes Prevention Program (DPP) is available for members living with pre-diabetes and offers a 16 session lifestyle intervention that addresses diet, activity and behavior modification. The goal of this program is to slow and/or prevent the development of Type 2 diabetes through lifestyle management and weight loss and is available at local YMCAs.

The Diabetes Control Program (DCP) is available to members living with diabetes and offers face-to-face consultations with trained local pharmacists who will review diabetes

history and medication, provide diabetes management education materials and assist individuals living with diabetes with managing their condition. The goal of this program is to reduce the risk of serious health complications through medication management and ongoing monitoring for complications.

Participation is completely voluntary and without extra charge. There are no Copays, Coinsurance or Deductibles that need to be met when services are received as part of the DPP or DCP programs. If you think you may be eligible to participate or would like additional information regarding the programs, please call the DPCA call center directly at (888) 688-4019.

HealthNotesSM

UnitedHealthcare provides a service called HealthNotes to help educate members and make suggestions regarding your medical care. HealthNotes provides you and your Physician with suggestions regarding preventive care, testing or medications, potential interactions with medications you have been prescribed, and certain treatments. In addition, your HealthNotes report may include health tips and other wellness information.

UnitedHealthcare makes these suggestions through a software program that provides retrospective, claims-based identification of medical care. Through this process patients are identified whose care may benefit from suggestions using the established standards of evidence based medicine as described in Section 14, *Glossary* under the definition of Covered Health Services.

If your Physician identifies any concerns after reviewing his or her HealthNotes report, he or she may contact you if he or she believes it to be appropriate. In addition, you may use the information in your report to engage your Physician in discussions regarding your health and the identified suggestions. Any decisions regarding your care, though, are always between you and your Physician.

If you have questions or would like additional information about this service, please call the number on the back of your ID card.

Wellness Programs

Healthy Pregnancy Program

If you are pregnant and enrolled in the medical Plan, you can get valuable educational information and advice by calling the toll-free number on your ID card. This program offers:

- pregnancy consultation to identify special needs;
- written and on-line educational materials and resources;
- 24-hour toll-free access to experienced maternity nurses;
- a phone call from a care coordinator during your Pregnancy, to see how things are going; and
- a phone call from a care coordinator approximately four weeks postpartum to give you information on infant care, feeding, nutrition, immunizations and more.

Participation is completely voluntary and without extra charge. To take full advantage of the program, you are encouraged to enroll within the first 12 weeks of Pregnancy. You can enroll any time, up to your 34th week. To enroll, call the toll-free number on the back of your ID card.

As a program participant, you can call any time, 24 hours a day, seven days a week, with any questions or concerns you might have.

SECTION 8 - EXCLUSIONS: WHAT THE MEDICAL PLAN WILL NOT COVER

What this section includes:

- Services, supplies and treatments that are not Covered Health Services, except as may be specifically provided for in Section 6, *Additional Coverage Details*.

The Plan does not pay Benefits for the following services, treatments or supplies even if they are recommended or prescribed by a provider or are the only available treatment for your condition.

When Benefits are limited within any of the Covered Health Services categories described in Section 6, *Additional Coverage Details*, those limits are stated in the corresponding Covered Health Service category in Section 5, *Plan Highlights*. Limits may also apply to some Covered Health Services that fall under more than one Covered Health Service category. When this occurs, those limits are also stated in Section 5, *Plan Highlights*. Please review all limits carefully, as the Plan will not pay Benefits for any of the services, treatments, items or supplies that exceed these benefit limits.

Please note that in listing services or examples, when the SPD says "this includes," or "including but not limiting to", it is not UnitedHealthcare's intent to limit the description to that specific list. When the Plan does intend to limit a list of services or examples, the SPD specifically states that the list "is limited to."

Alternative Treatments

1. acupressure;
2. aromatherapy;
3. hypnotism;
4. massage therapy;
5. rolfing;
6. other forms of alternative treatment as defined by the Office of Alternative Medicine of the National Institutes of Health.

Comfort or Convenience

1. television;
2. telephone;
3. beauty/barber service;
4. guest service;

5. supplies, equipment and similar incidental services and supplies for personal comfort. Examples include:
 - air conditioners;
 - air purifiers and filter;
 - batteries and battery chargers;
 - dehumidifiers;
 - humidifiers.
 - devices and computers to assist in communication and speech.

Dental

1. dental care, except as described in Section 6, *Additional Coverage Details* under the heading *Dental Services - Accident only*

This exclusion does not apply to dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition for which Benefits are available under the Plan, as identified in Section 6, *Additional Coverage Details*.

2. preventive care, diagnosis, treatment of or related to the teeth, jawbones or gums. Examples include all of the following:
 - extraction, restoration and replacement of teeth;
 - medical or surgical treatments of dental conditions;
 - services to improve dental clinical outcomes.
3. dental implants.
4. dental braces.
5. dental X-rays, supplies and appliances and all associated expenses, including hospitalizations and anesthesia. The only exceptions to this are for any of the following:
 - transplant preparation;
 - initiation of immunosuppressives;
 - the direct treatment of acute traumatic Injury, cancer or cleft palate.
6. treatment of congenitally missing, malpositioned or super numerary teeth, even if part of a Congenital Anomaly.

Drugs

1. prescription drug products for outpatient use that are filled by a prescription order or refill;
2. self-injectable medications;
3. non-injectable medications given in a Physician's office except as required in an Emergency;

4. over the counter drugs and treatments.

Experimental or Investigational Services or Unproven Services

Experimental or Investigational Services and Unproven Services are excluded. The fact that an Experimental or Investigational Service or an Unproven Service, treatment, device or pharmacological regimen is the only available treatment for a particular condition will not result in Benefits if the procedure is considered to be Experimental or Investigational or Unproven in the treatment of that particular condition.

This exclusion does not apply to Covered Health Services provided during a Clinical Trial for which Benefits are provided as described in Section 6, *Additional Coverage Details*.

Foot Care

1. routine foot care, except when needed for severe systemic disease or preventive foot care for Covered Persons with diabetes. Routine foot care services that are not covered include:
 - cutting or removal of corns and calluses;
 - nail trimming or cutting; and
 - debriding (removal of dead skin or underlying tissue);
2. hygienic and preventive maintenance foot care. Examples include the following:
 - cleaning and soaking the feet;
 - applying skin creams in order to maintain skin tone;
 - other services that are performed when there is not a localized illness, Injury or symptom involving the foot;
3. treatment of flat feet;
4. treatment of subluxation of the foot;
5. shoe orthotics.

Medical Supplies and Appliances

1. devices used specifically as safety items or to affect performance in sports-related activities;
2. prescribed or non-prescribed medical supplies and disposable supplies. Examples include:
 - elastic stockings;
 - ace bandages;
 - gauze and dressings;
 - syringes;
 - diabetic test strips;

3. orthotic appliances that straighten or re-shape a body part, except as described under *Durable Medical Equipment (DME)* in Section 6, *Additional Coverage Details*.

Examples of excluded orthotic appliances and devices include but are not limited to, foot orthotics or any orthotic braces available over-the-counter.

4. cranial banding;
5. tubings, connectors and masks are not covered except when used with Durable Medical Equipment as described in Section 6, *Additional Coverage Details* under the heading *Durable Medical Equipment*.

Mental Health

Exclusions listed directly below apply to services described under *Mental Health Services, Neurobiological Disorders - Mental Health Services for Autism Spectrum Disorders* in Section 6, *Additional Coverage Details*.

1. services performed in connection with conditions not classified in the current edition of the *Diagnostic and Statistical Manual of the American Psychiatric Association*;
2. services or supplies for the diagnosis or treatment of Mental Illness that, in the reasonable judgment of the Mental Health/Substance Use Disorder Administrator, are any of the following:
 - not consistent with generally accepted standards of medical practice for the treatment of such conditions;
 - not consistent with services backed by credible research soundly demonstrating that the services or supplies will have a measurable and beneficial health outcome, and therefore considered experimental;
 - not consistent with the Mental Health/Substance Use Disorder Administrator's level of care guidelines or best practices as modified from time to time; or
 - not clinically appropriate for the patient's Mental Illness, substance use disorder or condition based on generally accepted standards of medical practice and benchmarks.
3. Mental Health Services as treatments for V-code conditions as listed within the current edition of the *Diagnostic and Statistical Manual of the American Psychiatric Association*;
4. Mental Health Services as treatment for a primary diagnosis of insomnia and other sleep disorders, sexual dysfunction disorders, feeding disorders, neurological disorders and other disorders with a known physical basis;
5. treatments for the primary diagnoses of learning disabilities, conduct and impulse control disorders, personality disorders and paraphilias (sexual behavior that is considered deviant or abnormal);
6. educational/behavioral services that are focused on primarily building skills and capabilities in communication, social interaction and learning;

7. tuition for or services that are school-based for children and adolescents under the *Individuals with Disabilities Education Act*;
8. learning, motor skills and primary communication disorders as defined in the current edition of the *Diagnostic and Statistical Manual of the American Psychiatric Association*;
9. mental retardation as a primary diagnosis defined in the current edition of the *Diagnostic and Statistical Manual of the American Psychiatric Association*; and
10. intensive behavioral therapies such as applied behavioral analysis for Autism Spectrum Disorders; and
11. any treatments or other specialized services designed for Autism Spectrum Disorder that are not backed by credible research demonstrating that the services or supplies have a measurable and beneficial health outcome and therefore considered Experimental or Investigational or Unproven Services.

Nutrition

1. megavitamin and nutrition based therapy;
2. nutritional counseling for either individuals or groups, except as specifically described in Section 6, *Additional Coverage Details*;
3. enteral feedings and other nutritional and electrolyte formulas, including infant formula and donor breast milk, even if they are the only source of nutrition and even if they are specifically created to treat inborn errors of metabolism such as phenylketonuria (PKU). Infant formula available over the counter is always excluded;
4. health education classes unless offered by UnitedHealthcare or its affiliates, including but not limited to asthma, smoking cessation, and weight control classes.

Physical Appearance

1. Cosmetic Procedures. See the definition in Section 14, *Glossary*. Examples include:
 - pharmacological regimens, nutritional procedures or treatments;
 - scar or tattoo removal or revision procedures (such as salabrasion, chemosurgery and other such skin abrasion procedures);
 - skin abrasion procedures performed as a treatment for acne;
2. replacement of an existing breast implant if the earlier breast implant was performed as a Cosmetic Procedure. **Note:** Replacement of an existing breast implant is considered reconstructive if the initial breast implant followed mastectomy. See *Reconstructive Procedures* in Section 6, *Additional Coverage Details*;
3. physical conditioning programs such as athletic training, body-building, exercise, fitness, flexibility and diversion or general motivation;

4. weight loss programs whether or not they are under medical supervision. Weight loss programs for medical reasons are also excluded;
5. wigs regardless of the reason for the hair loss except for temporary loss of hair resulting from treatment of a malignancy as a result of cancer;

Providers

1. services performed by a provider who is a family member by birth or marriage, including spouse, brother, sister, parent or child. This includes any service the provider may perform on himself or herself;
2. services performed by a provider with your same legal residence;
3. services provided at a free-standing or Hospital-based diagnostic facility without an order written by a Physician or other provider. Services that are self-directed to a free-standing or Hospital-based diagnostic facility. Services ordered by a Physician or other provider who is an employee or representative of a free-standing or Hospital-based diagnostic facility, when that Physician or other provider:
 - has not been actively involved in your medical care prior to ordering the service; or
 - is not actively involved in your medical care after the service is received.

This exclusion does not apply to mammography testing.

Reproduction

1. health services and associated expenses for infertility treatments, including assisted reproductive technology, regardless of the reason for the treatment

This exclusion does not apply to services required to treat or correct underlying causes of infertility.

2. storage and retrieval of all reproductive materials (examples include eggs, sperm, testicular tissue and ovarian tissue);
3. in vitro fertilization regardless of the reason for treatment;
4. surrogate parenting, donor eggs, donor sperm and host uterus;
5. the reversal of voluntary sterilization;
6. artificial reproductive treatments done for genetic or eugenic (selective breeding) purposes;
7. services provided by a doula (labor aide); and
8. parenting, pre-natal or birthing classes.

Services Provided under Another Plan

1. health services for which other coverage is required by federal, state or local law to be purchased or provided through other arrangements. This includes, but is not limited to, coverage required by workers' compensation, no-fault auto insurance, or similar legislation.

If coverage under workers' compensation or similar legislation is optional for you because you could elect it, or could have it elected for you, Benefits will not be paid for any Injury, Sickness or Mental Illness that would have been covered under workers' compensation or similar legislation had that coverage been elected.

2. health services for treatment of military service-related disabilities, when you are legally entitled to other coverage and facilities are reasonably available to you;
3. health services while on active military duty.

Transplants

1. health services for organ, multiple organ and tissue transplants, except as described in *Transplantation Services* in Section 6, *Additional Coverage Details* unless UnitedHealthcare determines the transplant to be appropriate according to UnitedHealthcare's transplant guidelines;
2. health services connected with the removal of an organ or tissue from you for purposes of a transplant to another person. (Donor costs for removal are payable for a transplant through the organ recipient's Benefits under the Plan.);
3. health services for transplants involving mechanical or animal organs;
4. any solid organ transplant that is performed as a treatment for cancer.

Travel

1. health services provided in a foreign country, unless required as Emergency Health Services;
2. travel or transportation expenses, even though prescribed by a Physician. Some travel expenses related to covered transplantation services may be reimbursed at our discretion.

Vision

1. purchase cost of eye glasses or contact lenses;
2. fitting charge for eye glasses or contact lenses;
3. eye exercise or vision therapy;
4. Surgery that is intended to allow you to see better without glasses or other vision correction including radial keratotomy, laser, and other refractive eye surgery;

5. Routine vision examinations, including refractive examinations.

All Other Exclusions

1. health services and supplies that do not meet the definition of a Covered Health Service
- see the definition in Section 14, *Glossary*;

This exclusion does not apply to breast pumps for which Benefits are provided under the Health Resources and Services Administration (HRSA) requirement;

2. physical, psychiatric or psychological exams, testing, vaccinations, immunizations or treatments that are otherwise covered under the Plan when;
 - required solely for purposes of career, education, sports or camp, travel, career or employment, insurance, marriage or adoption;
 - conducted for purposes of medical research. This exclusion does not apply to Covered Health Services provided during a clinical trial for which Benefits are provided as described under *Clinical Trials* in Section 6, *Additional Coverage Details*;
 - related to judicial or administrative proceedings or orders;
 - required to obtain or maintain a license of any type;
3. health services received as a result of war or any act of war, whether declared or undeclared or caused during service in the armed forces of any country;
4. health services received after the date your coverage under the Plan ends, including health services for medical conditions arising before the date your coverage under the Plan ends;
5. health services for which you have no legal responsibility to pay, or for which a charge would not ordinarily be made in the absence of coverage under the Plan;
6. in the event that a non-Network provider waives Copayments and/or the Annual Deductible for a particular health service, no Benefits are provided for the health service for which the Copayments and/or the Annual Deductible are waived;
7. charges in excess of Eligible Expenses or in excess of any specified limitation;
8. upper and lower jawbone surgery except as required for direct treatment of acute traumatic Injury or cancer. Orthognathic surgery, jaw alignment and treatment for the temporomandibular joint, except as a treatment of obstructive sleep apnea;
9. growth hormone therapy;
10. sex transformation operations;
11. Custodial Care;
12. domiciliary care;
13. respite care;

14. rest cures;
15. psychosurgery;
16. treatment of benign gynecomastia (abnormal breast enlargement in males);
17. medical and surgical treatment of excessive sweating (hyperhidrosis);
18. panniculectomy, abdominoplasty, thighplasty, brachioplasty, mastopexy, and breast reduction. This exclusion does not apply to breast reconstruction following a mastectomy as described under *Reconstructive Procedures* in Section 6, *Additional Coverage Details*;
19. medical and surgical treatment for snoring, except when provided as a part of treatment for documented obstructive sleep apnea;
20. oral appliances for snoring;
21. speech therapy except as required for treatment of a speech impediment or speech dysfunction that results from Injury, stroke, or a Congenital Anomaly;
22. any charges for missed appointments, room or facility reservations, completion of claim forms or record processing;
23. any charge for services, supplies or equipment advertised by the provider as free;
24. any charges prohibited by federal anti-kickback or self-referral statutes.

SECTION 9 - CLAIMS PROCEDURES

What this section includes:

- How Network and non-Network claims work; and
- What to do if your claim is denied, in whole or in part.

Network Benefits

In general, if you receive Covered Health Services from a Network provider, UnitedHealthcare will pay the Physician or facility directly. If a Network provider bills you for any Covered Health Service other than your Coinsurance, please contact the provider or call UnitedHealthcare at the phone number on your ID card for assistance.

Keep in mind, you are responsible for meeting the Annual Deductible and paying any Coinsurance owed to a Network provider at the time of service, or when you receive a bill from the provider.

Non-Network Benefits

If you receive a bill for Covered Health Services from a non-Network provider, you (or the provider if they prefer) must send the bill to UnitedHealthcare for processing. To make sure the claim is processed promptly and accurately, a completed claim form must be attached and mailed to UnitedHealthcare at the address on the back of your ID card.

If Your Provider Does Not File Your Claim

You can obtain a claim form by visiting www.myuhc.com, calling the toll-free number on your ID card or contacting Human Resources. If you do not have a claim form, simply attach a brief letter of explanation to the bill, and verify that the bill contains the information listed below. If any of these items are missing from the bill, you can include them in your letter:

- your name and address;
- the patient's name, age and relationship to the Participant;
- the number as shown on your ID card;
- the name, address and tax identification number of the provider of the service(s);
- a diagnosis from the Physician;
- the date of service;
- an itemized bill from the provider that includes:
 - the Current Procedural Terminology (CPT) codes;
 - a description of, and the charge for, each service;
 - the date the Sickness or Injury began; and

- a statement indicating either that you are, or you are not, enrolled for coverage under any other health insurance plan or program. If you are enrolled for other coverage you must include the name and address of the other carrier(s).

Failure to provide all the information listed above may delay any reimbursement that may be due you.

For medical claims, the above information should be filed with UnitedHealthcare at the address on your ID card.

After UnitedHealthcare has processed your claim, you will receive payment for Benefits that the Plan allows. It is your responsibility to pay the non-Network provider the charges you incurred, including any difference between what you were billed and what the Plan paid.

UnitedHealthcare will pay Benefits to you unless:

- the provider notifies UnitedHealthcare that you have provided signed authorization to assign Benefits directly to that provider; or
- you make a written request for the non-Network provider to be paid directly at the time you submit your claim.

UnitedHealthcare will only pay Benefits to you or, with written authorization by you, your Provider, and not to a third party, even if your provider has assigned Benefits to that third party.

Health Statements

Each month in which UnitedHealthcare processes at least one claim for you or a covered Dependent, you will receive a Health Statement in the mail. Health Statements make it easy for you to manage your family's medical costs by providing claims information in easy-to-understand terms.

If you would rather track claims for yourself and your covered Dependents online, you may do so at www.myuhc.com. You may also elect to discontinue receipt of paper Health Statements by making the appropriate selection on this site.

Explanation of Benefits (EOB)

You may request that UnitedHealthcare send you a paper copy of an Explanation of Benefits (EOB) after processing the claim. The EOB will let you know if there is any portion of the claim you need to pay. If any claims are denied in whole or in part, the EOB will include the reason for the denial or partial payment. If you would like paper copies of the EOBs, you may call the toll-free number on your ID card to request them. You can also view and print all of your EOBs online at www.myuhc.com. See Section 14, *Glossary* for the definition of Explanation of Benefits.

Important - Timely Filing of Non-Network Claims

All claim forms for non-Network services must be submitted within 12 months after the date of service. Otherwise, the Plan will not pay any Benefits for that Eligible Expense, or Benefits will be reduced, as determined by Air Liquide USA LLC. This 12-month requirement does not apply if you are legally incapacitated. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

Claim Denials and Appeals***If Your Claim is Denied***

If a claim for Benefits is denied in part or in whole, you may call UnitedHealthcare at the number on your ID card before requesting a formal appeal. If UnitedHealthcare cannot resolve the issue to your satisfaction over the phone, you have the right to file a formal appeal as described below.

How to Appeal a Denied Claim

If you wish to appeal a denied pre-service request for Benefits, post-service claim or a rescission of coverage as described below, you or your authorized representative must submit your appeal in writing within 180 days of receiving the adverse benefit determination. You do not need to submit urgent care appeals in writing. This communication should include:

- the patient's name and ID number as shown on the ID card;
- the provider's name;
- the date of medical service;
- the reason you disagree with the denial; and
- any documentation or other written information to support your request.

You or your authorized representative may send a written request for an appeal to:

UnitedHealthcare - Appeals
P.O. Box 30432
Salt Lake City, Utah 84130-0432

For urgent care requests for Benefits that have been denied, you or your provider can call UnitedHealthcare at the toll-free number on your ID card to request an appeal.

Types of claims

The timing of the claims appeal process is based on the type of claim you are appealing. If you wish to appeal a claim, it helps to understand whether it is an:

- urgent care request for Benefits;
- pre-service request for Benefits;
- post-service claim; or
- concurrent claim.

Review of an Appeal

UnitedHealthcare will conduct a full and fair review of your appeal. The appeal may be reviewed by:

- an appropriate individual(s) who did not make the initial benefit determination; and
- a health care professional with appropriate expertise who was not consulted during the initial benefit determination process.

Once the review is complete, if UnitedHealthcare upholds the denial, you will receive a written explanation of the reasons and facts relating to the denial.

Filing a Second Appeal

Your Plan offers two levels of appeal. If you are not satisfied with the first level appeal decision, you have the right to request a second level appeal from Air Liquide USA LLC within 60 days from receipt of the first level appeal determination.

Note: Upon written request and free of charge, any Covered Persons may examine documents relevant to their claim and/or appeals and submit opinions and comments. Air Liquide USA LLC will review all claims in accordance with the rules established by the U.S. Department of Labor.

Federal External Review Program

If, after exhausting your internal appeals, you are not satisfied with the determination made by Air Liquide USA LLC, or if Air Liquide USA LLC fails to respond to your appeal in accordance with applicable regulations regarding timing, you may be entitled to request an external review of Air Liquide USA LLC's determination. The process is available at no charge to you.

If one of the above conditions is met, you may request an external review of adverse benefit determinations based upon any of the following:

- clinical reasons;
- the exclusions for Experimental or Investigational Services or Unproven Services;
- rescission of coverage (coverage that was cancelled or discontinued retroactively); or
- as otherwise required by applicable law.

You or your representative may request a standard external review by sending a written request to the address set out in the determination letter. You or your representative may request an expedited external review, in urgent situations as detailed below, by calling the toll-free number on your ID card or by sending a written request to the address set out in the determination letter. A request must be made within four months after the date you received Air Liquide USA LLC's decision.

An external review request should include all of the following:

- a specific request for an external review;
- the Covered Person's name, address, and insurance ID number;
- your designated representative's name and address, when applicable;
- the service that was denied; and
- any new, relevant information that was not provided during the internal appeal.

An external review will be performed by an Independent Review Organization (IRO). UnitedHealthcare has entered into agreements with three or more IROs that have agreed to perform such reviews. There are two types of external reviews available:

- a standard external review; and
- an expedited external review.

Standard External Review

A standard external review is comprised of all of the following:

- a preliminary review by UnitedHealthcare of the request;
- a referral of the request by UnitedHealthcare to the IRO; and
- a decision by the IRO.

Within the applicable timeframe after receipt of the request, UnitedHealthcare will complete a preliminary review to determine whether the individual for whom the request was submitted meets all of the following:

- is or was covered under the Plan at the time the health care service or procedure that is at issue in the request was provided;
- has exhausted the applicable internal appeals process; and
- has provided all the information and forms required so that UnitedHealthcare may process the request.

After UnitedHealthcare completes the preliminary review, UnitedHealthcare will issue a notification in writing to you. If the request is eligible for external review, UnitedHealthcare will assign an IRO to conduct such review. UnitedHealthcare will assign requests by either rotating claims assignments among the IROs or by using a random selection process.

The IRO will notify you in writing of the request's eligibility and acceptance for external review. You may submit in writing to the IRO within ten business days following the date of receipt of the notice additional information that the IRO will consider when conducting the external review. The IRO is not required to, but may, accept and consider additional information submitted by you after ten business days.

UnitedHealthcare will provide to the assigned IRO the documents and information considered in making Air Liquide USA LLC's determination. The documents include:

- all relevant medical records;
- all other documents relied upon by Air Liquide USA LLC; and
- all other information or evidence that you or your Physician submitted. If there is any information or evidence you or your Physician wish to submit that was not previously provided, you may include this information with your external review request and UnitedHealthcare will include it with the documents forwarded to the IRO.

In reaching a decision, the IRO will review the claim anew and not be bound by any decisions or conclusions reached by Air Liquide USA LLC. The IRO will provide written notice of its determination (the "Final External Review Decision") within 45 days after it receives the request for the external review (unless they request additional time and you agree). The IRO will deliver the notice of Final External Review Decision to you and UnitedHealthcare, and it will include the clinical basis for the determination.

Upon receipt of a Final External Review Decision reversing Air Liquide USA LLC determination, the Plan will immediately provide coverage or payment for the benefit claim at issue in accordance with the terms and conditions of the Plan, and any applicable law regarding plan remedies. If the Final External Review Decision is that payment or referral will not be made, the Plan will not be obligated to provide Benefits for the health care service or procedure.

Expedited External Review

An expedited external review is similar to a standard external review. The most significant difference between the two is that the time periods for completing certain portions of the review process are much shorter, and in some instances you may file an expedited external review before completing the internal appeals process.

You may make a written or verbal request for an expedited external review if you receive either of the following:

- an adverse benefit determination of a claim or appeal if the adverse benefit determination involves a medical condition for which the time frame for completion of an expedited internal appeal would seriously jeopardize the life or health of the individual or would jeopardize the individual's ability to regain maximum function and you have filed a request for an expedited internal appeal; or
- a final appeal decision, if the determination involves a medical condition where the timeframe for completion of a standard external review would seriously jeopardize the

life or health of the individual or would jeopardize the individual's ability to regain maximum function, or if the final appeal decision concerns an admission, availability of care, continued stay, or health care service, procedure or product for which the individual received emergency services, but has not been discharged from a facility.

Immediately upon receipt of the request, UnitedHealthcare will determine whether the individual meets both of the following:

- is or was covered under the Plan at the time the health care service or procedure that is at issue in the request was provided.
- has provided all the information and forms required so that UnitedHealthcare may process the request.

After UnitedHealthcare completes the review, UnitedHealthcare will immediately send a notice in writing to you. Upon a determination that a request is eligible for expedited external review, UnitedHealthcare will assign an IRO in the same manner UnitedHealthcare utilizes to assign standard external reviews to IROs. UnitedHealthcare will provide all necessary documents and information considered in making the adverse benefit determination or final adverse benefit determination to the assigned IRO electronically or by telephone or facsimile or any other available expeditious method. The IRO, to the extent the information or documents are available and the IRO considers them appropriate, must consider the same type of information and documents considered in a standard external review.

In reaching a decision, the IRO will review the claim anew and not be bound by any decisions or conclusions reached by Air Liquide USA LLC. The IRO will provide notice of the final external review decision for an expedited external review as expeditiously as the claimant's medical condition or circumstances require, but in no event more than 72 hours after the IRO receives the request. If the initial notice is not in writing, within 48 hours after the date of providing the initial notice, the assigned IRO will provide written confirmation of the decision to you and to UnitedHealthcare.

You may contact UnitedHealthcare at the toll-free number on your ID card for more information regarding external review rights, or if making a verbal request for an expedited external review.

Timing of Appeals Determinations

Separate schedules apply to the timing of claims appeals, depending on the type of claim. There are three types of claims:

- urgent care request for Benefits - a request for Benefits provided in connection with urgent care services;
- Pre-Service request for Benefits - a request for Benefits which the Plan must approve or in which you must notify UnitedHealthcare before non-urgent care is provided; and
- Post-Service - a claim for reimbursement of the cost of non-urgent care that has already been provided.

Please note that the Claims Administrator's decision is based only on whether or not Benefits are available under the Plan for the proposed treatment or procedure. The determination as to whether the pending health service is necessary or appropriate is between you and your Physician.

You may have the right to external review through an *Independent Review Organization (IRO)* upon the completion of the internal appeal process. Instructions regarding any such rights, and how to access those rights, will be provided in the Claims Administrator's decision letter to you.

The tables below describe the time frames which you and UnitedHealthcare are required to follow.

Urgent Care Request for Benefits *	
Type of Request for Benefits or Appeal	Timing
If your request for Benefits is incomplete, UnitedHealthcare must notify you within:	24 hours
You must then provide completed request for Benefits to UnitedHealthcare within:	48 hours after receiving notice of additional information required
UnitedHealthcare must notify you of the benefit determination within:	72 hours
If UnitedHealthcare denies your request for Benefits, you must appeal an adverse benefit determination no later than:	180 days after receiving the adverse benefit determination
UnitedHealthcare must notify you of the appeal decision within:	72 hours after receiving the appeal

*You do not need to submit urgent care appeals in writing. You should call UnitedHealthcare as soon as possible to appeal an urgent care request for Benefits.

Pre-Service Request for Benefits	
Type of Request for Benefits or Appeal	Timing
If your request for Benefits is filed improperly, UnitedHealthcare must notify you within:	5 days
If your request for Benefits is incomplete, UnitedHealthcare must notify you within:	15 days
You must then provide completed request for Benefits information to UnitedHealthcare within:	45 days
UnitedHealthcare must notify you of the benefit determination:	
■ if the initial request for Benefits is complete, within:	15 days
■ after receiving the completed request for Benefits (if the initial request for Benefits is incomplete), within:	15 days
You must appeal an adverse benefit determination no later than:	180 days after receiving the adverse benefit determination
UnitedHealthcare must notify you of the first level appeal decision within:	15 days after receiving the first level appeal
You must appeal the first level appeal (file a second level appeal) within:	60 days after receiving the first level appeal decision
Air Liquide USA LLC must notify you of the second level appeal decision within:	15 days after receiving the second level appeal

Post-Service Claims	
Type of Claim or Appeal	Timing
If your claim is incomplete, UnitedHealthcare must notify you within:	30 days
You must then provide completed claim information to UnitedHealthcare within:	45 days
UnitedHealthcare must notify you of the benefit determination:	
■ if the initial claim is complete, within:	30 days
■ after receiving the completed claim (if the initial claim is incomplete), within:	30 days
You must appeal an adverse benefit determination no later than:	180 days after receiving the adverse benefit determination
UnitedHealthcare must notify you of the first level appeal decision within:	30 days after receiving the first level appeal
You must appeal the first level appeal (file a second level appeal) within:	60 days after receiving the first level appeal decision
Air Liquide USA LLC must notify you of the second level appeal decision within:	30 days after receiving the second level appeal

Concurrent Care Claims

If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and your request to extend the treatment is an urgent care request for Benefits as defined above, your request will be decided within 24 hours, provided your request is made at least 24 hours prior to the end of the approved treatment.

UnitedHealthcare will make a determination on your request for the extended treatment within 24 hours from receipt of your request.

If your request for extended treatment is not made at least 24 hours prior to the end of the approved treatment, the request will be treated as an urgent care request for Benefits and decided according to the timeframes described above. If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and you request to extend treatment in a non-urgent circumstance, your request will be considered a new request and decided according to post-service or pre-service timeframes, whichever applies.

Limitation of Action

You cannot bring any legal action against Air Liquide USA LLC or the Claims Administrator to recover reimbursement until 90 days after you have properly submitted a request for reimbursement as described in this section and all required reviews of your claim have been completed. If you want to bring a legal action against Air Liquide USA LLC or the Claims Administrator, you must do so within three years from the expiration of the time period in which a request for reimbursement must be submitted or you lose any rights to bring such an action against Air Liquide USA LLC or the Claims Administrator.

You cannot bring any legal action against Air Liquide USA LLC or the Claims Administrator for any other reason unless you first complete all the steps in the appeal process described in this section. After completing that process, if you want to bring a legal action against Air Liquide USA LLC or the Claims Administrator you must do so within three years of the date you are notified of the final decision on your appeal or you lose any rights to bring such an action against Air Liquide USA LLC or the Claims Administrator.

SECTION 10 - COORDINATION OF BENEFITS (COB)

What this section includes:

- How your Benefits under this Plan coordinate with other medical plans;
- How coverage is affected if you become eligible for Medicare; and
- Procedures in the event the Plan overpays Benefits.

Coordination of Benefits (COB) applies to you if you are covered by more than one health benefits plan, including any one of the following:

- another employer sponsored health benefits plan;
- a medical component of a group long-term care plan, such as skilled nursing care;
- no-fault or traditional "fault" type medical payment benefits or personal injury protection benefits under an auto insurance policy;
- medical payment benefits under any premises liability or other types of liability coverage; or
- Medicare or other governmental health benefit.

If coverage is provided under two or more plans, COB determines which plan is primary and which plan is secondary. The plan considered primary pays its benefits first, without regard to the possibility that another plan may cover some expenses. Any remaining expenses may be paid under the other plan, which is considered secondary. The secondary plan may determine its benefits based on the benefits paid by the primary plan.

Don't forget to update your Dependents' Medical Coverage Information

Avoid delays on your Dependent claims by updating your Dependent's medical coverage information. Just log on to www.myuhc.com or call the toll-free number on your ID card to update your COB information. You will need the name of your Dependent's other medical coverage, along with the policy number.

Determining Which Plan is Primary

If you are covered by two or more plans, the benefit payment follows the rules below in this order:

- this Plan will always be secondary to medical payment coverage or personal injury protection coverage under any auto liability or no-fault insurance policy;
- when you have coverage under two or more medical plans and only one has COB provisions, the plan without COB provisions will pay benefits first;
- a plan that covers a person as an employee pays benefits before a plan that covers the person as a dependent;
- if you are receiving COBRA continuation coverage under another employer plan, this Plan will pay Benefits first;

- your dependent children will receive primary coverage from the parent whose birth date occurs first in a calendar year. If both parents have the same birth date, the plan that pays benefits first is the one that has been in effect the longest. This birthday rule applies only if:
 - the parents are married or living together whether or not they have ever been married and not legally separated; or
 - a court decree awards joint custody without specifying that one party has the responsibility to provide health care coverage;
- if two or more plans cover a dependent child of divorced or separated parents and if there is no court decree stating that one parent is responsible for health care, the child will be covered under the plan of:
 - the parent with custody of the child; then
 - the Spouse of the parent with custody of the child; then
 - the parent not having custody of the child; then
 - the Spouse of the parent not having custody of the child;
- plans for active employees pay before plans covering laid-off or retired employees;
- the plan that has covered the individual claimant the longest will pay first; and
- finally, if none of the above rules determines which plan is primary or secondary, the allowable expenses shall be shared equally between the plans meeting the definition of Plan. In addition, this Plan will not pay more than it would have paid had it been the primary Plan.

The following examples illustrate how the Plan determines which plan pays first and which plan pays second.

Determining Primary and Secondary Plan – Examples

- 1) Let's say you and your Spouse both have family medical coverage through your respective employers. You are unwell and go to see a Physician. Since you're covered as a Participant under this Plan, and as a Dependent under your Spouse's plan, this Plan will pay Benefits for the Physician's office visit first.
- 2) Again, let's say you and your Spouse both have family medical coverage through your respective employers. You take your Dependent child to see a Physician. This Plan will look at your birthday and your Spouse's birthday to determine which plan pays first. If you were born on June 11 and your Spouse was born on May 30, your Spouse's plan will pay first.

When This Plan is Secondary

If this Plan is secondary, it determines the amount it will pay for a Covered Health Service by following the steps below.

- the Plan determines the amount it would have paid based on the allowable expense.
- if this Plan would have paid less than the primary plan paid, the Plan pays no Benefits.
- if this Plan would have paid more than the primary plan paid, the Plan will pay the difference.

You will be responsible for any Coinsurance or Deductible payments as part of the COB payment. The maximum combined payment you can receive from all plans may be less than 100% of the total allowable expense.

Determining the Allowable Expense If This Plan is Secondary

If this Plan is secondary, the allowable expense is the primary plan's Network rate. If the primary plan bases its reimbursement on reasonable and customary charges, the allowable expense is the primary plan's reasonable and customary charge. If both the primary plan and this Plan do not have a contracted rate, the allowable expense will be the greater of the two plans' reasonable and customary charges.

When the provider is a Network provider for both the primary plan and this Plan, the allowable expense is the primary plan's network rate. When the provider is a network provider for the primary plan and a non-Network provider for this Plan, the allowable expense is the primary plan's network rate. When the provider is a non-Network provider for the primary plan and a Network provider for this Plan, the allowable expense is the reasonable and customary charges allowed by the primary plan. When the provider is a non-Network provider for both the primary plan and this Plan, the allowable expense is the greater of the two Plans' reasonable and customary charges.

What is an allowable expense?

For purposes of COB, an allowable expense is a health care expense that is covered at least in part by one of the health benefit plans covering you.

When a Covered Person Qualifies for Medicare

Determining Which Plan is Primary

To the extent permitted by law, this Plan will pay Benefits second to Medicare when you become eligible for Medicare, even if you don't elect it. There are, however, Medicare-eligible individuals for whom the Plan pays Benefits first and Medicare pays benefits second:

- employees with active current employment status age 65 or older and their Spouses age 65 or older (however, Domestic Partners are excluded as provided by Medicare);
- individuals with end-stage renal disease, for a limited period of time; and
- disabled individuals under age 65 with current employment status and their Dependents under age 65.

Determining the Allowable Expense When This Plan is Secondary to Medicare

If this Plan is secondary to Medicare, the Medicare approved amount is the allowable expense, as long as the provider accepts Medicare. If the provider does not accept Medicare, the Medicare limiting charge (the most a provider can charge you if they don't accept Medicare) will be the allowable expense. Medicare payments, combined with Plan Benefits, will not exceed 100% of the total allowable expense.

If you are eligible for, but not enrolled in, Medicare, and this Plan is secondary to Medicare, or if you have enrolled in Medicare but choose to obtain services from a provider that does

not participate in the Medicare program, Benefits will be paid on a secondary basis under this Plan and will be determined as if you timely enrolled in Medicare and obtained services from a Medicare participating provider. When calculating the Plan's secondary Benefits in these circumstances, for administrative convenience United in its sole discretion may treat the provider's billed charges as the allowable expense for both the Plan and Medicare, rather than the Medicare approved amount or Medicare limiting charge.

Right to Receive and Release Needed Information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and other plans. UnitedHealthcare may get the facts needed from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and other plans covering the person claiming benefits.

UnitedHealthcare does not need to tell, or get the consent of, any person to do this. Each person claiming benefits under this Plan must give UnitedHealthcare any facts needed to apply those rules and determine benefits payable. If you do not provide UnitedHealthcare the information needed to apply these rules and determine the Benefits payable, your claim for Benefits will be denied.

Overpayment and Underpayment of Benefits

If you are covered under more than one medical plan, there is a possibility that the other plan will pay a benefit that UnitedHealthcare should have paid. If this occurs, the Plan may pay the other plan the amount owed.

If the Plan pays you more than it owes under this COB provision, you should pay the excess back promptly. Otherwise, the Company may recover the amount in the form of salary, wages, or benefits payable under any Company-sponsored benefit plans, including this Plan. The Company also reserves the right to recover any overpayment by legal action or offset payments on future Eligible Expenses.

If the Plan overpays a health care provider, UnitedHealthcare reserves the right to recover the excess amount, by legal action if necessary.

Refund of Overpayments

If Air Liquide USA LLC pays for Benefits for expenses incurred on account of a Covered Person, that Covered Person, or any other person or organization that was paid, must make a refund to Air Liquide USA LLC if:

- all or some of the expenses were not paid by the Covered Person or did not legally have to be paid by the Covered Person;
- all or some of the payment Air Liquide USA LLC made exceeded the Benefits under the Plan; or
- all or some of the payment was made in error.

The refund equals the amount Air Liquide USA LLC paid in excess of the amount that should have been paid under the Plan. If the refund is due from another person or organization, the Covered Person agrees to help Air Liquide USA LLC get the refund when requested.

If the Covered Person, or any other person or organization that was paid, does not promptly refund the full amount, Air Liquide USA LLC may reduce the amount of any future Benefits for the Covered Person that are payable under the Plan. The reductions will equal the amount of the required refund. Air Liquide USA LLC may have other rights in addition to the right to reduce future Benefits.

SECTION 11 - SUBROGATION AND REIMBURSEMENT

The Plan has a right to subrogation and reimbursement.

Subrogation applies when the plan has paid Benefits on your behalf for a Sickness or Injury for which a third party is alleged to be responsible. The right to subrogation means that the Plan is substituted to and shall succeed to any and all legal claims that you may be entitled to pursue against any third party for the Benefits that the Plan has paid that are related to the Sickness or Injury for which a third party is alleged to be responsible.

Subrogation - Example

Suppose you are injured in a car accident that is not your fault, and you receive Benefits under the Plan to treat your injuries. Under subrogation, the Plan has the right to take legal action in your name against the driver who caused the accident and that driver's insurance carrier to recover the cost of those Benefits.

The right to reimbursement means that if a third party causes or is alleged to have caused a Sickness or Injury for which you receive a settlement, judgment, or other recovery from any third party, you must use those proceeds to fully return to the Plan 100% of any Benefits you received for that Sickness or Injury.

Reimbursement - Example

Suppose you are injured in a boating accident that is not your fault, and you receive Benefits under the Plan as a result of your injuries. In addition, you receive a settlement in a court proceeding from the individual who caused the accident. You must use the settlement funds to return to the plan 100% of any Benefits you received to treat your injuries.

The following persons and entities are considered third parties:

- a person or entity alleged to have caused you to suffer a Sickness, Injury or damages, or who is legally responsible for the Sickness, Injury or damages;
- any insurer or other indemnifier of any person or entity alleged to have caused or who caused the Sickness, Injury or damages;
- the Plan Sponsor (for example workers' compensation cases);
- any person or entity who is or may be obligated to provide benefits or payments to you, including benefits or payments for underinsured or uninsured motorist protection, no-fault or traditional auto insurance, medical payment coverage (auto, homeowners or otherwise), workers' compensation coverage, other insurance carriers or third party administrators; and
- any person or entity that is liable for payment to you on any equitable or legal liability theory.

You agree as follows:

- You will cooperate with the Plan in protecting its legal and equitable rights to subrogation and reimbursement in a timely manner, including, but not limited to:
 - notifying the Plan, in writing, of any potential legal claim(s) you may have against any third party for acts which caused Benefits to be paid or become payable;
 - providing any relevant information requested by the Plan;
 - signing and/or delivering such documents as the Plan or its agents reasonably request to secure the subrogation and reimbursement claim;
 - responding to requests for information about any accident or injuries;
 - making court appearances;
 - obtaining the Plan's consent or its agents' consent before releasing any party from liability or payment of medical expenses; and
 - complying with the terms of this section.

Your failure to cooperate with the Plan is considered a breach of contract. As such, the Plan has the right to terminate your Benefits, deny future Benefits, take legal action against you, and/or set off from any future Benefits the value of Benefits the Plan has paid relating to any Sickness or Injury alleged to have been caused or caused by any third party to the extent not recovered by the Plan due to you or your representative not cooperating with the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by you or your representative, the Plan has the right to recover those fees and costs from you. You will also be required to pay interest on any amounts you hold which should have been returned to the Plan.

- The Plan has a first priority right to receive payment on any claim against a third party before you receive payment from that third party. Further, the Plan's first priority right to payment is superior to any and all claims, debts or liens asserted by any medical providers, including but not limited to Hospitals or emergency treatment facilities, that assert a right to payment from funds payable from or recovered from an allegedly responsible third party and/or insurance carrier.
- The Plan's subrogation and reimbursement rights apply to full and partial settlements, judgments, or other recoveries paid or payable to you or your representative, no matter how those proceeds are captioned or characterized. Payments include, but are not limited to, economic, non-economic, and punitive damages. The Plan is not required to help you to pursue your claim for damages or personal injuries and no amount of associated costs, including attorneys' fees, shall be deducted from the Plan's recovery without the Plan's express written consent. No so-called "Fund Doctrine" or "Common Fund Doctrine" or "Attorney's Fund Doctrine" shall defeat this right.
- Regardless of whether you have been fully compensated or made whole, the Plan may collect from you the proceeds of any full or partial recovery that you or your legal representative obtain, whether in the form of a settlement (either before or after any determination of liability) or judgment, no matter how those proceeds are captioned or characterized. Proceeds from which the Plan may collect include, but are not limited to, economic, non-economic, and punitive damages. No "collateral source" rule, any "Made-Whole Doctrine" or "Make-Whole Doctrine," claim of unjust enrichment, nor any other equitable limitation shall limit the Plan's subrogation and reimbursement rights.

- Benefits paid by the Plan may also be considered to be Benefits advanced.
- If you receive any payment from any party as a result of Sickness or Injury, and the Plan alleges some or all of those funds are due and owed to the Plan, you shall hold those funds in trust, either in a separate bank account in your name or in your attorney's trust account. You agree that you will serve as a trustee over those funds to the extent of the Benefits the Plan has paid.
- The Plan's rights to recovery will not be reduced due to your own negligence.
- Upon the Plan's request, you will assign to the Plan all rights of recovery against third parties, to the extent of the Benefits the Plan has paid for the Sickness or Injury.
- The Plan may, at its option, take necessary and appropriate action to preserve its rights under these subrogation provisions, including but not limited to, providing or exchanging medical payment information with an insurer, the insurer's legal representative or other third party and filing suit in your name, which does not obligate the Plan in any way to pay you part of any recovery the Plan might obtain.
- You may not accept any settlement that does not fully reimburse the Plan, without its written approval.
- The Plan has the authority and discretion to resolve all disputes regarding the interpretation of the language stated herein.
- In the case of your wrongful death or survival claim, the provisions of this section apply to your estate, the personal representative of your estate, and your heirs or beneficiaries.
- No allocation of damages, settlement funds or any other recovery, by you, your estate, the personal representative of your estate, your heirs, your beneficiaries or any other person or party, shall be valid if it does not reimburse the Plan for 100% of its interest unless the Plan provides written consent to the allocation.
- The provisions of this section apply to the parents, guardian, or other representative of a Dependent child who incurs a Sickness or Injury caused by a third party. If a parent or guardian may bring a claim for damages arising out of a minor's Sickness or Injury, the terms of this subrogation and reimbursement clause shall apply to that claim.
- If a third party causes or is alleged to have caused you to suffer a Sickness or Injury while you are covered under this Plan, the provisions of this section continue to apply, even after you are no longer covered.
- The Plan and all Administrators administering the terms and conditions of the Plan's subrogation and reimbursement rights have such powers and duties as are necessary to discharge its duties and functions, including the exercise of its discretionary authority to (1) construe and enforce the terms of the Plan's subrogation and reimbursement rights and (2) make determinations with respect to the subrogation amounts and reimbursements owed to the Plan.

Right of Recovery

The Plan also has the right to recover benefits it has paid on you or your Dependent's behalf that were:

- made in error;
- due to a mistake in fact;
- advanced during the time period of meeting the calendar year Deductible; or
- advanced during the time period of meeting the Out-of-Pocket Maximum for the calendar year.

Benefits paid because you or your Dependent misrepresented facts are also subject to recovery.

If the Plan provides a Benefit for you or your Dependent that exceeds the amount that should have been paid, the Plan will:

- require that the overpayment be returned when requested, or
- reduce a future benefit payment for you or your Dependent by the amount of the overpayment.

If the Plan provides an advancement of benefits to you or your Dependent during the time period of meeting the Deductible and/or meeting the Out-of-Pocket Maximum for the calendar year, the Plan will send you or your Dependent a monthly statement identifying the amount you owe with payment instructions. The Plan has the right to recover Benefits it has advanced by:

- submitting a reminder letter to you or a covered Dependent that details any outstanding balance owed to the Plan; and
- conducting courtesy calls to you or a covered Dependent to discuss any outstanding balance owed to the Plan.

SECTION 12 - WHEN COVERAGE ENDS

What this section includes:

- Circumstances that cause coverage to end; and
- How to continue coverage after it ends.

Your entitlement to Benefits automatically ends on the date that coverage ends, even if you are hospitalized or are otherwise receiving medical treatment on that date.

When your coverage ends, Air Liquide USA LLC will still pay claims for Covered Health Services that you received before your coverage ended. However, once your coverage ends, Benefits are not provided for health services that you receive after coverage ended, even if the underlying medical condition occurred before your coverage ended.

Your coverage under the Plan will end on the earliest of:

- the last day of the calendar month in which your employment with the Company ends;
- the date the Plan ends;
- the date identified by Air Liquide USA LLC if you stop making the required contributions;
- the last day of the calendar month in which you are no longer eligible;
- the last day of the calendar month in which UnitedHealthcare receives written notice from Air Liquide USA LLC to end your coverage, or the date requested in the notice, if later; or
- the first day of the calendar month in which you retire or are pensioned under the Plan, unless specific coverage is available for retired or pensioned persons and you are eligible for that coverage.

Coverage for your eligible Dependents will end on the earliest of:

- the last day of the calendar month in which your coverage ends;
- the date identified by Air Liquide USA LLC if you stop making the required contributions;
- the last day of the calendar month in which UnitedHealthcare receives written notice from Air Liquide USA LLC to end your coverage, or the date requested in the notice, if later;
- the last day of the calendar month in which your Dependent child no longer qualifies as a Dependent under this Plan; or
- the last day of the calendar month in which your Dependents no longer qualify as Dependents under this Plan.

Other Events Ending Your Coverage

The Plan will provide prior written notice to you that your coverage will end on the date identified in the notice if:

- you commit an act, practice, or omission that constituted fraud, or an intentional misrepresentation of a material fact including, but not limited to, false information relating to another person's eligibility or status as a Dependent; or
- you commit an act of physical or verbal abuse that imposes a threat to Air Liquide USA LLC's staff, UnitedHealthcare's staff, a provider or another Covered Person.

Note: Air Liquide USA LLC has the right to demand that you pay back Benefits Air Liquide USA LLC paid to you, or paid in your name, during the time you were incorrectly covered under the Plan.

Coverage for a Disabled Child

If an unmarried enrolled Dependent child with a mental or physical disability reaches an age when coverage would otherwise end, the Plan will continue to cover the child, as long as:

- the child is unable to be self-supporting due to a mental or physical handicap or disability;
- the child depends mainly on you for support;
- you provide to Air Liquide USA LLC proof of the child's incapacity and dependency within 31 days of the date coverage would have otherwise ended because the child reached a certain age; and
- you provide proof, upon Air Liquide USA LLC's request, that the child continues to meet these conditions.

The proof might include medical examinations at Air Liquide USA LLC's expense. However, you will not be asked for this information more than once a year. If you do not supply such proof within 31 days, the Plan will no longer pay Benefits for that child.

Coverage will continue, as long as the enrolled Dependent is incapacitated and dependent upon you, unless coverage is otherwise terminated in accordance with the terms of the Plan.

Continuing Coverage Through COBRA

If you lose your Plan coverage, you may have the right to extend it under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as defined in Section 14, *Glossary*.

Continuation coverage under COBRA is available only to Plans that are subject to the terms of COBRA. You can contact your Plan Administrator to determine if Air Liquide USA LLC is subject to the provisions of COBRA.

Continuation Coverage under Federal Law (COBRA)

Much of the language in this section comes from the federal law that governs continuation coverage. You should call your Plan Administrator if you have questions about your right to continue coverage.

In order to be eligible for continuation coverage under federal law, you must meet the definition of a "Qualified Beneficiary". A Qualified Beneficiary is any of the following persons who were covered under the Plan on the day before a qualifying event:

- a Participant;
- a Participant's enrolled Dependent, including with respect to the Participant's children, a child born to or placed for adoption with the Participant during a period of continuation coverage under federal law; or
- a Participant's former Spouse.

Qualifying Events for Continuation Coverage under COBRA

The following table outlines situations in which you may elect to continue coverage under COBRA for yourself and your Dependents, and the maximum length of time you can receive continued coverage. These situations are considered qualifying events.

If Coverage Ends Because of the Following Qualifying Events:	You May Elect COBRA:		
	For Yourself	For Your Spouse	For Your Child(ren)
Your work hours are reduced	18 months	18 months	18 months
Your employment terminates for any reason (other than gross misconduct)	18 months	18 months	18 months
You or your family member become eligible for Social Security disability benefits at any time within the first 60 days of losing coverage ¹	29 months	29 months	29 months
You die	N/A	36 months	36 months
You divorce (or legally separate)	N/A	36 months	36 months
Your child is no longer an eligible family member (e.g., reaches the maximum age limit)	N/A	N/A	36 months
You become entitled to Medicare	N/A	See table below	See table below

If Coverage Ends Because of the Following Qualifying Events:	You May Elect COBRA:		
	For Yourself	For Your Spouse	For Your Child(ren)
Air Liquide USA LLC files for bankruptcy under Title 11, United States Code. ²	36 months	36 months ³	36 months ³

¹Subject to the following conditions: (i) notice of the disability must be provided within the latest of 60 days after a). the determination of the disability, b). the date of the qualifying event, c). the date the Qualified Beneficiary would lose coverage under the Plan, and in no event later than the end of the first 18 months; (ii) the Qualified Beneficiary must agree to pay any increase in the required premium for the additional 11 months over the original 18 months; and (iii) if the Qualified Beneficiary entitled to the 11 months of coverage has non-disabled family members who are also Qualified Beneficiaries, then those non-disabled Qualified Beneficiaries are also entitled to the additional 11 months of continuation coverage. Notice of any final determination that the Qualified Beneficiary is no longer disabled must be provided within 30 days of such determination. Thereafter, continuation coverage may be terminated on the first day of the month that begins more than 30 days after the date of that determination.

²This is a qualifying event for any Retired Participant and his or her enrolled Dependents if there is a substantial elimination of coverage within one year before or after the date the bankruptcy was filed.

³From the date of the Participant's death if the Participant dies during the continuation coverage.

How Your Medicare Eligibility Affects Dependent COBRA Coverage

The table below outlines how your Dependents' COBRA coverage is impacted if you become entitled to Medicare.

If Dependent Coverage Ends When:	You May Elect COBRA Dependent Coverage For Up To:
You become entitled to Medicare and don't experience any additional qualifying events	18 months
You become entitled to Medicare, after which you experience a second qualifying event* before the initial 18-month period expires	36 months
You experience a qualifying event*, after which you become entitled to Medicare before the initial 18-month period expires; and, if absent this initial qualifying event, your Medicare entitlement would have resulted in loss of Dependent coverage under the Plan	36 months

* Your work hours are reduced or your employment is terminated for reasons other than gross misconduct.

Getting Started

You will be notified by mail if you become eligible for COBRA coverage as a result of a reduction in work hours or termination of employment. The notification will give you instructions for electing COBRA coverage, and advise you of the monthly cost. Your monthly cost is the full cost, including both Participant and Employer costs, plus a 2% administrative fee or other cost as permitted by law.

You will have up to 60 days from the date you receive notification or 60 days from the date your coverage ends to elect COBRA coverage, whichever is later. You will then have an additional 45 days to pay the cost of your COBRA coverage, retroactive to the date your Plan coverage ended.

During the 60-day election period, the Plan will, only in response to a request from a provider, inform that provider of your right to elect COBRA coverage, retroactive to the date your COBRA eligibility began.

While you are a participant in the medical Plan under COBRA, you have the right to change your coverage election:

- during Open Enrollment; and
- following a change in family status, as described under *Changing Your Coverage* in Section 2, *Introduction*.

Notification Requirements

If your covered Dependents lose coverage due to divorce, legal separation, or loss of Dependent status, you or your Dependents must notify the Plan Administrator within 60 days of the latest of:

- the date of the divorce, legal separation or an enrolled Dependent's loss of eligibility as an enrolled Dependent;
- the date your enrolled Dependent would lose coverage under the Plan; or
- the date on which you or your enrolled Dependent are informed of your obligation to provide notice and the procedures for providing such notice.

You or your Dependents must also notify the Plan Administrator when a qualifying event occurs that will extend continuation coverage.

If you or your Dependents fail to notify the Plan Administrator of these events within the 60 day period, the Plan Administrator is not obligated to provide continued coverage to the affected Qualified Beneficiary. If you are continuing coverage under federal law, you must notify the Plan Administrator within 60 days of the birth or adoption of a child.

Once you have notified the Plan Administrator, you will then be notified by mail of your election rights under COBRA.

Notification Requirements for Disability Determination

If you extend your COBRA coverage beyond 18 months because you are eligible for disability benefits from Social Security, you must provide Human Resources with notice of the Social Security Administration's determination within 60 days after you receive that determination, and before the end of your initial 18-month continuation period.

The notice requirements will be satisfied by providing written notice to the Plan Administrator at the address stated in Section 15, *Important Administrative Information: ERISA*. The contents of the notice must be such that the Plan Administrator is able to determine the covered Employee and qualified beneficiary(ies), the qualifying event or disability, and the date on which the qualifying event occurred.

Trade Act of 2002

The Trade Act of 2002 amended COBRA to provide for a special second 60-day COBRA election period for certain Participants who have experienced a termination or reduction of hours and who lose group health plan coverage as a result. The special second COBRA election period is available only to a very limited group of individuals: generally, those who are receiving trade adjustment assistance (TAA) or 'alternative trade adjustment assistance' under a federal law called the Trade Act of 1974. These Participants are entitled to a second opportunity to elect COBRA coverage for themselves and certain family members (if they did not already elect COBRA coverage), but only within a limited period of 60 days from the first day of the month when an individual begins receiving TAA (or would be eligible to receive TAA but for the requirement that unemployment benefits be exhausted) and only during the six months immediately after their group health plan coverage ended.

If a Participant qualifies or may qualify for assistance under the Trade Act of 1974, he or she should contact the Plan Administrator for additional information. The Participant must contact the Plan Administrator promptly after qualifying for assistance under the Trade Act of 1974 or the Participant will lose his or her special COBRA rights. COBRA coverage elected during the special second election period is not retroactive to the date that Plan coverage was lost, but begins on the first day of the special second election period.

When COBRA Ends

COBRA coverage will end before the maximum continuation period shown above if:

- you or your covered Dependent becomes covered under another group medical plan, as long as the other plan doesn't limit your coverage due to a preexisting condition; or if the other plan does exclude coverage due to your preexisting condition, your COBRA benefits would end when the exclusion period ends;
- you or your covered Dependent becomes entitled to, and enrolls in, Medicare after electing COBRA;
- the first required premium is not paid within 45 days;
- any other monthly premium is not paid within 30 days of its due date;
- the entire Plan ends; or
- coverage would otherwise terminate under the Plan as described in the beginning of this section.

Note: If you selected continuation coverage under a prior plan which was then replaced by coverage under this Plan, continuation coverage will end as scheduled under the prior plan or in accordance with the terminating events listed in this section, whichever is earlier.

Uniformed Services Employment and Reemployment Rights Act

A Participant who is absent from employment for more than 30 days by reason of service in the Uniformed Services may elect to continue Plan coverage for the Participant and the Participant's Dependents in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA).

The terms "Uniformed Services" or "Military Service" mean the Armed Forces, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency.

If qualified to continue coverage pursuant to the USERRA, Participants may elect to continue coverage under the Plan by notifying the Plan Administrator in advance, and providing payment of any required contribution for the health coverage. This may include the amount the Plan Administrator normally pays on a Participant's behalf. If a Participant's Military Service is for a period of time less than 31 days, the Participant may not be required

to pay more than the regular contribution amount, if any, for continuation of health coverage.

A Participant may continue Plan coverage under USERRA for up to the lesser of:

- the 24 month period beginning on the date of the Participant's absence from work; or
- the day after the date on which the Participant fails to apply for, or return to, a position of employment.

Regardless of whether a Participant continues health coverage, if the Participant returns to a position of employment, the Participant's health coverage and that of the Participant's eligible Dependents will be reinstated under the Plan. No exclusions or waiting period may be imposed on a Participant or the Participant's eligible Dependents in connection with this reinstatement, unless a Sickness or Injury is determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, the performance of military service.

You should call the Plan Administrator if you have questions about your rights to continue health coverage under USERRA.

SECTION 13 - OTHER IMPORTANT INFORMATION

What this section includes:

- Court-ordered Benefits for Dependent children;
- Your relationship with UnitedHealthcare and Air Liquide USA LLC;
- Relationships with providers;
- Interpretation of Benefits;
- Information and records;
- Incentives to providers and you;
- The future of the Plan; and
- How to access the official Plan documents.

Qualified Medical Child Support Orders (QMCSOs)

A qualified medical child support order (QMCSO) is a judgment, decree or order issued by a court or appropriate state agency that requires a child to be covered for medical benefits. Generally, a QMCSO is issued as part of a paternity, divorce, or other child support settlement.

If the Plan receives a medical child support order for your child that instructs the Plan to cover the child, the Plan Administrator will review it to determine if it meets the requirements for a QMCSO. If it determines that it does, your child will be enrolled in the Plan as your Dependent, and the Plan will be required to pay Benefits as directed by the order.

You may obtain, without charge, a copy of the procedures governing QMCSOs from the Plan Administrator.

Note: A National Medical Support Notice will be recognized as a QMCSO if it meets the requirements of a QMCSO.

Your Relationship with UnitedHealthcare and Air Liquide USA LLC

In order to make choices about your health care coverage and treatment, Air Liquide USA LLC believes that it is important for you to understand how UnitedHealthcare interacts with the Plan Sponsor's benefit Plan and how it may affect you. UnitedHealthcare helps administer the Plan Sponsor's benefit plan in which you are enrolled. UnitedHealthcare does not provide medical services or make treatment decisions. This means:

- Air Liquide USA LLC and UnitedHealthcare do not decide what care you need or will receive. You and your Physician make those decisions;
- UnitedHealthcare communicates to you decisions about whether the Plan will cover or pay for the health care that you may receive (the Plan pays for Covered Health Services, which are more fully described in this SPD); and

- the Plan may not pay for all treatments you or your Physician may believe are necessary. If the Plan does not pay, you will be responsible for the cost.

Air Liquide USA LLC and UnitedHealthcare may use individually identifiable information about you to identify for you (and you alone) procedures, products or services that you may find valuable. Air Liquide USA LLC and UnitedHealthcare will use individually identifiable information about you as permitted or required by law, including in operations and in research. Air Liquide USA LLC and UnitedHealthcare will use de-identified data for commercial purposes including research.

Relationship with Providers

The relationships between Air Liquide USA LLC, UnitedHealthcare and Network providers are solely contractual relationships between independent contractors. Network providers are not Air Liquide USA LLC's agents or employees, nor are they agents or employees of UnitedHealthcare. Air Liquide USA LLC and any of its employees are not agents or employees of Network providers, nor are UnitedHealthcare and any of its employees agents or employees of Network providers.

Air Liquide USA LLC and UnitedHealthcare do not provide health care services or supplies, nor do they practice medicine. Instead, Air Liquide USA LLC and UnitedHealthcare arrange for health care providers to participate in a Network and pay Benefits. Network providers are independent practitioners who run their own offices and facilities. UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided. They are not Air Liquide USA LLC's employees nor are they employees of UnitedHealthcare. Air Liquide USA LLC and UnitedHealthcare do not have any other relationship with Network providers such as principal-agent or joint venture. Air Liquide USA LLC and UnitedHealthcare are not liable for any act or omission of any provider.

UnitedHealthcare is not considered to be an employer of the Plan Administrator for any purpose with respect to the administration or provision of benefits under this Plan.

Air Liquide USA LLC is solely responsible for:

- enrollment and classification changes (including classification changes resulting in your enrollment or the termination of your coverage);
- the timely payment of Benefits; and
- notifying you of the termination or modifications to the Plan.

Your Relationship with Providers

The relationship between you and any provider is that of provider and patient. Your provider is solely responsible for the quality of the services provided to you. You:

- are responsible for choosing your own provider;
- are responsible for paying, directly to your provider, any amount identified as a member responsibility, including Coinsurance, any Annual Deductible and any amount that exceeds Eligible Expenses;
- are responsible for paying, directly to your provider, the cost of any non-Covered Health Service;
- must decide if any provider treating you is right for you (this includes Network providers you choose and providers to whom you have been referred); and
- must decide with your provider what care you should receive.

Interpretation of Benefits

Air Liquide USA LLC and UnitedHealthcare have the sole and exclusive discretion to:

- interpret Benefits under the Plan;
- interpret the other terms, conditions, limitations and exclusions of the Plan, including this SPD and any Riders and/or Amendments; and
- make factual determinations related to the Plan and its Benefits.

Air Liquide USA LLC and UnitedHealthcare may delegate this discretionary authority to other persons or entities that provide services in regard to the administration of the Plan.

In certain circumstances, for purposes of overall cost savings or efficiency, Air Liquide USA LLC may, in its discretion, offer Benefits for services that would otherwise not be Covered Health Services. The fact that Air Liquide USA LLC does so in any particular case shall not in any way be deemed to require Air Liquide USA LLC to do so in other similar cases.

Information and Records

Air Liquide USA LLC and UnitedHealthcare may use your individually identifiable health information to administer the Plan and pay claims, to identify procedures, products, or services that you may find valuable, and as otherwise permitted or required by law. Air Liquide USA LLC and UnitedHealthcare may request additional information from you to decide your claim for Benefits. Air Liquide USA LLC and UnitedHealthcare will keep this information confidential. Air Liquide USA LLC and UnitedHealthcare may also use your de-identified data for commercial purposes, including research, as permitted by law.

By accepting Benefits under the Plan, you authorize and direct any person or institution that has provided services to you to furnish Air Liquide USA LLC and UnitedHealthcare with all information or copies of records relating to the services provided to you. Air Liquide USA

LLC and UnitedHealthcare have the right to request this information at any reasonable time. This applies to all Covered Persons, including enrolled Dependents whether or not they have signed the Participant's enrollment form. Air Liquide USA LLC and UnitedHealthcare agree that such information and records will be considered confidential.

Air Liquide USA LLC and UnitedHealthcare have the right to release any and all records concerning health care services which are necessary to implement and administer the terms of the Plan, for appropriate medical review or quality assessment, or as Air Liquide USA LLC is required to do by law or regulation. During and after the term of the Plan, Air Liquide USA LLC and UnitedHealthcare and its related entities may use and transfer the information gathered under the Plan in a de-identified format for commercial purposes, including research and analytic purposes.

For complete listings of your medical records or billing statements Air Liquide USA LLC recommends that you contact your health care provider. Providers may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request medical forms or records from UnitedHealthcare, they also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, Air Liquide USA LLC and UnitedHealthcare will designate other persons or entities to request records or information from or related to you, and to release those records as necessary. UnitedHealthcare's designees have the same rights to this information as does the Plan Administrator.

Incentives to Providers

Network providers may be provided financial incentives by UnitedHealthcare to promote the delivery of health care in a cost efficient and effective manner. These financial incentives are not intended to affect your access to health care.

Examples of financial incentives for Network providers are:

- bonuses for performance based on factors that may include quality, member satisfaction, and/or cost-effectiveness; or
- a practice called capitation which is when a group of Network providers receives a monthly payment from UnitedHealthcare for each Covered Person who selects a Network provider within the group to perform or coordinate certain health services. The Network providers receive this monthly payment regardless of whether the cost of providing or arranging to provide the Covered Person's health care is less than or more than the payment.

If you have any questions regarding financial incentives you may contact the telephone number on your ID card. You can ask whether your Network provider is paid by any financial incentive, including those listed above; however, the specific terms of the contract, including rates of payment, are confidential and cannot be disclosed. In addition, you may choose to discuss these financial incentives with your Network provider.

Incentives to You

Sometimes you may be offered coupons or other incentives to encourage you to participate in various wellness programs or certain disease management programs. The decision about whether or not to participate is yours alone but Air Liquide USA LLC recommends that you discuss participating in such programs with your Physician. These incentives are not Benefits and do not alter or affect your Benefits. You may contact your HR department if you have any questions.

Rebates and Other Payments

Air Liquide USA LLC and UnitedHealthcare may receive rebates for certain drugs that are administered to you in a Physician's office, or at a Hospital or Alternate Facility. This includes rebates for those drugs that are administered to you before you meet your Annual Deductible. Air Liquide USA LLC and UnitedHealthcare do not pass these rebates on to you, nor are they applied to your Annual Deductible or taken into account in determining your Coinsurance.

Workers' Compensation Not Affected

Benefits provided under the Plan do not substitute for and do not affect any requirements for coverage by workers' compensation insurance.

Future of the Plan

Although the Company expects to continue the Plan indefinitely, it reserves the right to discontinue, alter or modify the Plan in whole or in part, at any time and for any reason, at its sole determination.

The Company's decision to terminate or amend a Plan may be due to changes in federal or state laws governing employee benefits, the requirements of the Internal Revenue Code or any other reason. A plan change may transfer plan assets and debts to another plan or split a plan into two or more parts. If the Company does change or terminate a plan, it may decide to set up a different plan providing similar or different benefits.

If this Plan is terminated, Covered Persons will not have the right to any other Benefits from the Plan, other than for those claims incurred prior to the date of termination, or as otherwise provided under the Plan. In addition, if the Plan is amended, Covered Persons may be subject to altered coverage and Benefits.

The amount and form of any final benefit you receive will depend on any Plan document or contract provisions affecting the Plan and Company decisions. After all Benefits have been paid and other requirements of the law have been met, certain remaining Plan assets will be turned over to the Company and others as may be required by any applicable law.

Plan Document

This Summary Plan Description (SPD) represents an overview of your Benefits. In the event there is a discrepancy between the SPD and the official plan document, the plan document will govern. A copy of the plan document is available for your inspection during regular business hours in the office of the Plan Administrator. You (or your personal representative) may obtain a copy of this document by written request to the Plan Administrator, for a nominal charge.

SECTION 14 - GLOSSARY

What this section includes:

- Definitions of terms used throughout this SPD.

Many of the terms used throughout this SPD may be unfamiliar to you or have a specific meaning with regard to the way the Plan is administered and how Benefits are paid. This section defines terms used throughout this SPD, but it does not describe the Benefits provided by the Plan.

Addendum – any attached written description of additional or revised provisions to the Plan. The benefits and exclusions of this SPD and any amendments thereto shall apply to the Addendum except that in the case of any conflict between the Addendum and SPD and/or Amendments to the SPD, the Addendum shall be controlling.

Alternate Facility – a health care facility that is not a Hospital and that provides one or more of the following services on an outpatient basis, as permitted by law:

- surgical services;
- Emergency Health Services; or
- rehabilitative, laboratory, diagnostic or therapeutic services.

An Alternate Facility may also provide Mental Health Services on an outpatient basis or inpatient basis (for example a Residential Treatment Facility).

Amendment – any attached written description of additional or alternative provisions to the Plan. Amendments are effective only when distributed by the Plan Sponsor or the Plan Administrator. Amendments are subject to all conditions, limitations and exclusions of the Plan, except for those that the amendment is specifically changing.

Annual Deductible (or Deductible) – the amount you must pay for Covered Health Services in a calendar year before the Plan will begin paying Benefits in that calendar year. The Deductible is shown in the first table in Section 5, *Plan Highlights*.

Autism Spectrum Disorders – a group of neurobiological disorders that includes *Autistic Disorder, Rhetts's Syndrome, Asperger's Disorder, Childhood Disintegrated Disorder, and Pervasive Development Disorders Not Otherwise Specified (PDDNOS)*.

Benefits – Plan payments for Covered Health Services, subject to the terms and conditions of the Plan and any Addendums and/or Amendments.

Body Mass Index (BMI) – a calculation used in obesity risk assessment which uses a person's weight and height to approximate body fat.

BMI – see Body Mass Index (BMI).

Cancer Resource Services (CRS) – a program administered by UnitedHealthcare or its affiliates made available to you by Air Liquide USA LLC. The CRS program provides:

- specialized consulting services, on a limited basis, to Participants and enrolled Dependents with cancer;
- access to cancer centers with expertise in treating the most rare or complex cancers; and
- education to help patients understand their cancer and make informed decisions about their care and course of treatment.

Care CoordinationSM – programs provided by UnitedHealthcare that focus on prevention, education, and closing the gaps in care designed to encourage an efficient system of care for you and your covered Dependents.

Certificate of Creditable Coverage - A document furnished by a group health plan or a health insurance company that shows the amount of time the individual has had coverage. This document is used to reduce or eliminate the length of time a preexisting condition exclusion applies.

Claims Administrator – UnitedHealthcare (also known as United HealthCare Services, Inc.) and its affiliates, who provide certain claim administration services for the Plan.

Clinical Trial – a scientific study designed to identify new health services that improve health outcomes. In a Clinical Trial, two or more treatments are compared to each other and the patient is not allowed to choose which treatment will be received.

COBRA – see Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).

Coinsurance – the percentage of Eligible Expenses you are required to pay for certain Covered Health Services as described in Section 3, *How the Plan Works*.

Company – Air Liquide USA LLC.

Congenital Anomaly – a physical developmental defect that is present at birth and is identified within the first twelve months of birth.

Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) – a federal law that requires employers to offer continued health insurance coverage to certain employees and their dependents whose group health insurance has been terminated.

Cosmetic Procedures – procedures or services that change or improve appearance without significantly improving physiological function, as determined by the Claims Administrator. Reshaping a nose with a prominent bump is a good example of a Cosmetic Procedure because appearance would be improved, but there would be no improvement in function like breathing.

Cost-Effective – the least expensive equipment that performs the necessary function. This term applies to Durable Medical Equipment and prosthetic devices.

Covered Health Services – those health services, including services or supplies, which the Claims Administrator determines to be:

- provided for the purpose of preventing, diagnosing or treating Sickness, Injury, Mental Illness, substance use disorders, or their symptoms;
- included in Sections 5 and 6, *Plan Highlights* and *Additional Coverage Details*;
- provided to a Covered Person who meets the Plan's eligibility requirements, as described under *Eligibility* in Section 2, *Introduction*; and
- not identified in Section 8, *Exclusions*.

The Claims Administrator maintains clinical protocols that describe the scientific evidence, prevailing medical standards and clinical guidelines supporting its determinations regarding specific services. You can access these clinical protocols (as revised from time to time) on www.myuhc.com or by calling the number on the back of your ID card. This information is available to Physicians and other health care professionals on UnitedHealthcareOnline.

Covered Person – either the Participant or an enrolled Dependent only while enrolled and eligible for Benefits under the Plan. References to "you" and "your" throughout this SPD are references to a Covered Person.

CRS – see Cancer Resource Services (CRS).

Custodial Care – services that do not require special skills or training and that:

- provide assistance in activities of daily living (including but not limited to feeding, dressing, bathing, ostomy care, incontinence care, checking of routine vital signs, transferring and ambulating);
- are provided for the primary purpose of meeting the personal needs of the patient or maintaining a level of function (even if the specific services are considered to be skilled services), as opposed to improving that function to an extent that might allow for a more independent existence; or
- do not require continued administration by trained medical personnel in order to be delivered safely and effectively.

Deductible – see Annual Deductible.

Dependent – an individual who meets the eligibility requirements specified in the Plan, as described under *Eligibility* in Section 2, *Introduction*. No one can be a Dependent of more than one Participant.

Designated Facility – a facility that has entered into an agreement with the Claims Administrator or with an organization contracting on behalf of the Plan, to provide Covered Health Services for the treatment of specified diseases or conditions. A Designated Facility may or may not be located within your geographic area.

To be considered a Designated Facility, a facility must meet certain standards of excellence and have a proven track record of treating specified conditions.

Designated Network Benefits – for benefit plans that have a Designated Network Benefit level, this is the description of how Benefits are paid for the Covered Health Services provided by a Physician or other provider that the Claims Administrator has identified as a Designated Network provider. Refer to Section 5, *Plan Highlights*, to determine whether Designated Network Benefit levels are different from Network Benefits for any Covered Health Services. The fact that a Physician is a Network Physician does not mean that he or she is a designated Physician.

DME – see Durable Medical Equipment (DME).

Durable Medical Equipment (DME) – medical equipment that is all of the following:

- used to serve a medical purpose with respect to treatment of a Sickness, Injury or their symptoms;
- not disposable;
- not of use to a person in the absence of a Sickness, Injury or their symptoms;
- durable enough to withstand repeated use;
- not implantable within the body; and
- appropriate for use, and primarily used, within the home.

Eligible Expenses – Eligible Expenses for Covered Health Services, incurred while the Plan is in effect, are determined as stated below.

Eligible Expenses are based on either of the following:

- For Network Benefits, Eligible Expenses are based on either of the following:
 - When Covered Health Services are received from Network providers, Eligible Expenses are the contracted fee(s) with that provider.
- For Non-Network Benefits, Eligible Expenses are determined by either:
 - one of the following:
 - for Covered Health Services other than Pharmaceutical Products, selected data resources which, in the judgment of the Claims Administrator, represent competitive fees in that geographic area;
 - for Covered Health Services that are Pharmaceutical Products, 100% of the amount that the *Centers for Medicare and Medicaid Services (CMS)* would have paid under the Medicare program for the drug determined by either:
 - ◆ reference to available *CMS* schedules; or
 - ◆ methods similar to those used by *CMS*;
 - fee(s) that are negotiated with the provider; or
 - 50% of the billed charge; or
 - A fee schedule that the Claims Administrator develops.

These provisions do not apply if you receive Covered Health Services from a non-Network provider in an Emergency or as otherwise arranged by the Claims Administrator. In that case, Eligible Expenses are the amounts billed by the provider, unless the Claims Administrator negotiates lower rates.

Eligible Expenses are subject to the Claim Administrator's reimbursement policy guidelines.

Emergency – a serious medical condition or symptom resulting from Injury, Sickness or Mental Illness, or substance use disorders which:

- arises suddenly; and
- in the judgment of a reasonable person, requires immediate care and treatment, generally received within 24 hours of onset, to avoid jeopardy to life or health.

Emergency Health Services – health care services and supplies necessary for the treatment of an Emergency.

Employee Retirement Income Security Act of 1974 (ERISA) – the federal legislation that regulates retirement and employee welfare benefit programs maintained by employers and unions.

Employer – Air Liquide USA LLC.

EOB – see Explanation of Benefits (EOB).

ERISA – see Employee Retirement Income Security Act of 1974 (ERISA).

Experimental or Investigational Services – medical, surgical, diagnostic, psychiatric, mental health, substance use disorders or other health care services, technologies, supplies, treatments, procedures, drug therapies, medications or devices that, at the time the Claims Administrator and Air Liquide USA LLC make a determination regarding coverage in a particular case, are determined to be any of the following:

- not approved by the U.S. Food and Drug Administration (FDA) to be lawfully marketed for the proposed use and not identified in the American Hospital Formulary Service or the United States Pharmacopoeia Dispensing Information as appropriate for the proposed use;
- subject to review and approval by any institutional review board for the proposed use (Devices which are FDA approved under the *Humanitarian Use Device* exemption are not considered to be Experimental or Investigational); or
- the subject of an ongoing Clinical Trial that meets the definition of a Phase 1, 2 or 3 Clinical Trial set forth in the FDA regulations, regardless of whether the trial is actually subject to FDA oversight.

Exceptions:

- Clinical trials for which Benefits are available as described under *Clinical Trials* in Section 6, *Additional Coverage Details*.
- If you are not a participant in a qualifying Clinical Trial as described under Section 6, *Additional Coverage Details*, and have a Sickness or condition that is likely to cause death within one year of the request for treatment, the Claims Administrator and Air Liquide USA LLC may, at their discretion, consider an otherwise Experimental or Investigational Service to be a Covered Health Service for that Sickness or condition. Prior to such consideration, the Claims Administrator and Air Liquide USA LLC must determine that, although unproven, the service has significant potential as an effective treatment for that Sickness or condition.

Explanation of Benefits (EOB) – a statement provided by UnitedHealthcare to you, your Physician, or another health care professional that explains:

- the Benefits provided (if any);
- the allowable reimbursement amounts;
- Deductibles;
- Coinsurance;
- any other reductions taken;
- the net amount paid by the Plan; and
- the reason(s) why the service or supply was not covered by the Plan.

Health Statement(s) – a single, integrated statement that summarizes EOB information by providing detailed content on account balances and claim activity.

Home Health Agency – a program or organization authorized by law to provide health care services in the home.

Hospital – an institution, operated as required by law, which is:

- primarily engaged in providing health services, on an inpatient basis, for the acute care and treatment of sick or injured individuals. Care is provided through medical, mental health, diagnostic and surgical facilities, by or under the supervision of a staff of Physicians; and
- has 24 hour nursing services.

A Hospital is not primarily a place for rest, Custodial Care or care of the aged and is not a Skilled Nursing Facility, convalescent home or similar institution.

Injury – bodily damage other than Sickness, including all related conditions and recurrent symptoms.

Inpatient Rehabilitation Facility – a long term acute rehabilitation center, a Hospital (or a special unit of a Hospital designated as an Inpatient Rehabilitation Facility) that provides rehabilitation services (including physical therapy, occupational therapy and/or speech therapy) on an inpatient basis, as authorized by law.

Inpatient Stay – an uninterrupted confinement, following formal admission to a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility.

Intensive Outpatient Treatment – a structured outpatient Mental Health treatment program that may be free-standing or Hospital-based and provides services for at least three hours per day, two or more days per week.

Intermittent Care – skilled nursing care that is provided or needed either:

- fewer than seven days each week; or
- fewer than eight hours each day for periods of 21 days or less.

Exceptions may be made in special circumstances when the need for additional care is finite and predictable.

Kidney Resource Services (KRS) – a program administered by UnitedHealthcare or its affiliates made available to you by Air Liquide USA LLC. The KRS program provides:

- specialized consulting services to Participants and enrolled Dependents with ESRD or chronic kidney disease;
- access to dialysis centers with expertise in treating kidney disease; and
- guidance for the patient on the prescribed plan of care.

Medicaid – a federal program administered and operated individually by participating state and territorial governments that provides medical benefits to eligible low-income people needing health care. The federal and state governments share the program's costs.

Medicare – Parts A, B, C and D of the insurance program established by Title XVIII, United States Social Security Act, as amended by 42 U.S.C. Sections 1394, et seq. and as later amended.

Mental Health Services – Covered Health Services for the diagnosis and treatment of Mental Illnesses. The fact that a condition is listed in the current *Diagnostic and Statistical Manual of the American Psychiatric Association* does not mean that treatment for the condition is a Covered Health Service.

Mental Health/Substance Use Disorder (MH/SUD) Administrator – the organization or individual designated by Air Liquide USA LLC who provides or arranges Mental Health and Substance Use Disorder Services under the Plan.

Mental Illness – mental health or psychiatric diagnostic categories listed in the current *Diagnostic and Statistical Manual of the American Psychiatric Association*, unless they are listed in Section 8, *Exclusions*.

Network – when used to describe a provider of health care services, this means a provider that has a participation agreement in effect (either directly or indirectly) with the Claims Administrator or with its affiliate to participate in the Network; however, this does not include those providers who have agreed to discount their charges for Covered Health Services by way of their participation in the Shared Savings Program. The Claims Administrator's affiliates are those entities affiliated with the Claims Administrator through common ownership or control with the Claims Administrator or with the Claims Administrator's ultimate corporate parent, including direct and indirect subsidiaries.

A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some products. In this case, the provider will be a Network provider for the Covered Health Services and products included in the participation agreement, and a non-Network provider for other Covered Health Services and products. The participation status of providers will change from time to time.

Network Benefits - description of how Benefits are paid for Covered Health Services provided by Network providers. Refer to Section 5, *Plan Highlights* for details about how Network Benefits apply.

Non-Network Benefits - description of how Benefits are paid for Covered Health Services provided by non-Network providers. Refer to Section 5, *Plan Highlights* for details about how Non-Network Benefits apply.

Open Enrollment – the period of time, determined by Air Liquide USA LLC, during which eligible Participants may enroll themselves and their Dependents under the Plan. Air Liquide USA LLC determines the period of time that is the Open Enrollment period.

Out-of-Pocket Maximum – the maximum amount you pay every calendar year. Refer to Section 5, *Plan Highlights* for the Out-of-Pocket Maximum amount. See Section 3, *How the Plan Works* for a description of how the Out-of-Pocket Maximum works.

Partial Hospitalization/Day Treatment – a structured ambulatory program that may be a free-standing or Hospital-based program and that provides services for at least 20 hours per week.

Participant – a full-time Participant of the Employer who meets the eligibility requirements specified in the Plan, as described under *Eligibility* in Section 2, *Introduction*. A Participant must live and/or work in the United States.

Physician – any Doctor of Medicine or Doctor of Osteopathy who is properly licensed and qualified by law.

Please note: Any podiatrist, dentist, psychologist, chiropractor, optometrist or other provider who acts within the scope of his or her license will be considered on the same basis as a Physician. The fact that a provider is described as a Physician does not mean that Benefits for services from that provider are available to you under the Plan.

Plan – The Air Liquide USA LLC Medical Plan.

Plan Administrator – Air Liquide USA LLC or its designee.

Plan Sponsor – Air Liquide USA LLC.

Pregnancy – includes prenatal care, postnatal care, childbirth, and any complications associated with the above.

Private Duty Nursing – nursing care that is provided to a patient on a one-to-one basis by licensed nurses in a home setting when any of the following are true:

- no skilled services are identified;
- skilled nursing resources are available in the facility;
- the skilled care can be provided by a Home Health Agency on a per visit basis for a specific purpose; or
- the service is provided to a Covered Person by an independent nurse who is hired directly by the Covered Person or his/her family. This includes nursing services provided on a home-care basis, whether the service is skilled or non-skilled independent nursing.

Reconstructive Procedure – a procedure performed to address a physical impairment where the expected outcome is restored or improved function. The primary purpose of a Reconstructive Procedure is either to treat a medical condition or to improve or restore physiologic function. Reconstructive Procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not changed or improved physical appearance. The fact that a person may suffer psychologically as a result of the impairment does not classify surgery or any other procedure done to relieve the impairment as a Reconstructive Procedure.

Residential Treatment Facility – a facility which provides a program of effective Mental Health Services treatment and which meets all of the following requirements:

- it is established and operated in accordance with applicable state law for residential treatment programs;
- it provides a program of treatment under the active participation and direction of a Physician and approved by the Mental Health/Substance Use Disorder Administrator;
- it has or maintains a written, specific and detailed treatment program requiring full-time residence and full-time participation by the patient; and
- it provides at least the following basic services in a 24-hour per day, structured milieu:
 - room and board;
 - evaluation and diagnosis;
 - counseling; and
 - referral and orientation to specialized community resources.

A Residential Treatment Facility that qualifies as a Hospital is considered a Hospital.

Retired Employee – an Employee who retires while covered under the Plan.

Semi-private Room - a room with two or more beds. When an Inpatient Stay in a Semi-private Room is a Covered Health Service, the difference in cost between a Semi-private Room and a private room is a benefit only when a private room is necessary in terms of generally accepted medical practice, or when a Semi-private Room is not available.

Shared Savings Program - the Shared Savings Program provides access to discounts from non-Network Physicians who participate in that program. UnitedHealthcare will use the Shared Savings Program to pay claims when doing so will lower Eligible Expenses. While UnitedHealthcare might negotiate lower Eligible Expenses for Non-Network Benefits, the Coinsurance will stay the same as described in Section 5, *Plan Highlights*.

UnitedHealthcare does not credential the Shared Savings Program providers and the Shared Savings Program providers are not Network providers. Accordingly, in benefit plans that have both Network and non-Network levels of Benefits, Benefits for Covered Health Services provided by Shared Savings Program providers will be paid at the non-Network Benefit level (except in situations when Benefits for Covered Health Services provided by non-Network providers are payable at Network Benefit levels, as in the case of Emergency Health Services). When UnitedHealthcare uses the Shared Savings Program to pay a claim, the patient responsibility is limited to Coinsurance calculated on the contracted rate paid to the provider, in addition to any required Annual Deductible.

Sickness – physical illness, disease or Pregnancy. The term Sickness as used in this SPD does not include Mental Illness or substance use disorder, regardless of the cause or origin of the Mental Illness or substance use disorder.

Skilled Care – skilled nursing, teaching, and rehabilitation services when:

- they are delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome and provide for the safety of the patient;
- a Physician orders them;
- they are not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair;
- they require clinical training in order to be delivered safely and effectively; and
- they are not Custodial Care, as defined in this section.

Skilled Nursing Facility – a nursing facility that is licensed and operated as required by law. A Skilled Nursing Facility that is part of a Hospital is considered a Skilled Nursing Facility for purposes of the Plan.

Spinal Treatment – detection or correction (by manual or mechanical means) of subluxation(s) in the body to remove nerve interference or its effects. The interference must be the result of, or related to, distortion, misalignment or subluxation of, or in, the vertebral column.

Spouse – an individual to whom you are legally married.

Transitional Care – Mental Health Services that are provided through transitional living facilities, group homes and supervised apartments that provide 24-hour supervision that are supervised living arrangements which are residences that provide members with stable and safe housing and the opportunity to learn how to manage their activities of daily living. Supervised living arrangements may be utilized as an adjunct to treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery.

UnitedHealth Premium ProgramSM – a program that identifies Network Physicians or facilities that have been designated as a UnitedHealth Premium ProgramSM Physician or facility for certain medical conditions.

To be designated as a UnitedHealth PremiumSM provider, Physicians and facilities must meet program criteria. The fact that a Physician or facility is a Network Physician or facility does not mean that it is a UnitedHealth Premium ProgramSM Physician or facility.

Unproven Services – health services, including medications that are determined not to be effective for treatment of the medical condition and/or not to have a beneficial effect on health outcomes due to insufficient and inadequate clinical evidence from well-conducted randomized controlled trials or cohort studies in the prevailing published peer-reviewed medical literature:

- Well-conducted randomized controlled trials are two or more treatments compared to each other, with the patient not being allowed to choose which treatment is received.
- Well-conducted cohort studies from more than one institution are studies in which patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.

UnitedHealthcare has a process by which it compiles and reviews clinical evidence with respect to certain health services. From time to time, UnitedHealthcare issues medical and drug policies that describe the clinical evidence available with respect to specific health care services. These medical and drug policies are subject to change without prior notice. You can view these policies at www.myuhc.com.

Please note:

- If you have a life threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment), UnitedHealthcare and Air Liquide USA LLC may, at their discretion, consider an otherwise Unproven Service to be a Covered Health Service for that Sickness or condition. Prior to such a consideration, UnitedHealthcare and Air Liquide USA LLC must first establish that there is sufficient evidence to conclude that, albeit unproven, the service has significant potential as an effective treatment for that Sickness or condition.

The decision about whether such a service can be deemed a Covered Health Service is solely at UnitedHealthcare and Air Liquide USA LLC's discretion. Other apparently similar promising but unproven services may not qualify.

Urgent Care – treatment of an unexpected Sickness or Injury that is not life-threatening but requires outpatient medical care that cannot be postponed. An urgent situation requires prompt medical attention to avoid complications and unnecessary suffering, such as high fever, a skin rash, or an ear infection.

Urgent Care Center – a facility that provides Urgent Care services, as previously defined in this section. In general, Urgent Care Centers:

- do not require an appointment;
- are open outside of normal business hours, so you can get medical attention for minor illnesses that occur at night or on weekends; and
- provide an alternative if you need immediate medical attention, but your Physician cannot see you right away.

SECTION 15 - IMPORTANT ADMINISTRATIVE INFORMATION: ERISA**What this section includes:**

- Plan administrative information, including your rights under ERISA.

This section includes information on the administration of the medical Plan, as well as information required of all Summary Plan Descriptions by ERISA as defined in Section 14, *Glossary*. While you may not need this information for your day-to-day participation, it is information you may find important.

Plan Sponsor and Administrator

Air Liquide USA LLC is the Plan Sponsor and Plan Administrator of the Air Liquide USA LLC Health Benefit Plan and has the discretionary authority to interpret the Plan. You may contact the Plan Administrator at:

Plan Administrator – Medical Plan
Air Liquide USA LLC
2700 Post Oak Blvd
Suite 1800
Houston, TX 77056
(713) 624-8692

Claims Administrator

UnitedHealthcare is the Plan's Claims Administrator. The role of the Claims Administrator is to handle the day-to-day administration of the Plan's coverage as directed by the Plan Administrator, through an administrative agreement with the Company. The Claims Administrator shall not be deemed or construed as an employer for any purpose with respect to the administration or provision of Benefits under the Plan Sponsor's Plan. The Claims Administrator shall not be responsible for fulfilling any duties or obligations of an employer with respect to the Plan Sponsor's Plan.

You may contact the Claims Administrator by phone at the number on your ID card or in writing at:

United HealthCare Services, Inc.
9900 Bren Road East
Minnetonka, MN 55343

Agent for Service of Legal Process

Should it ever be necessary, you or your personal representative may serve legal process on the agent of service for legal process for the Plan. The Plan's Agent of Service is:

Agent for Legal Process – Medical Plan
 Air Liquide USA LLC
 2700 Post Oak Blvd
 Suite 1800
 Houston, TX 77056
 (713) 624-8692

Legal process may also be served on the Plan Administrator.

Other Administrative Information

This section of your SPD contains information about how the Plan is administered as required by ERISA.

Type of Administration

The Plan is a self-funded welfare Plan and the administration is provided through one or more third party administrators.

Plan Name:	Air Liquide USA LLC Health Benefit Plan
Plan Number:	501
Employer ID:	58-0939059
Plan Type:	Welfare benefits plan
Plan Year:	January 1 – December 31
Plan Administration:	Self-Insured
Source of Plan Contributions:	Employee and Company
Source of Benefits:	Assets of the Company

Your ERISA Rights

As a participant in the Plan, you are entitled to certain rights and protections under ERISA. ERISA provides that all Plan participants shall be permitted to:

- receive information about Plan Benefits;
- examine, without charge, at the Plan Administrator's office and at other specified worksites, all plan documents – including pertinent insurance contracts, collective bargaining agreements (if applicable), and other documents available at the Public Disclosure Room of the Employee Benefits Security Administration; and
- obtain copies of all Plan documents and other Plan information, including insurance contracts and collective bargaining agreements (if applicable), and updated Summary

Plan Descriptions, by writing to the Plan Administrator. The Plan Administrator may make a reasonable charge for copies.

You can continue health care coverage for yourself, Spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review this Summary Plan Description and the Plan documents to understand the rules governing your COBRA continuation coverage rights.

You will be provided a Certificate of Creditable Coverage in writing, free of charge, from UnitedHealthcare:

- when you lose coverage under the Plan;
- when you become entitled to elect COBRA;
- when your COBRA coverage ends;
- if you request a Certificate of Creditable Coverage before losing coverage; or
- if you request a Certificate of Creditable Coverage up to 24 months after losing coverage.

You may request a Certificate of Creditable Coverage by calling the toll-free number on your ID card.

If you have creditable coverage from another group health plan, you may receive a reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health plan. Without evidence of creditable coverage, Plan Benefits for the treatment of a preexisting condition may be excluded for 12 months (18 months for late enrollees) after your enrollment date in your coverage. In addition to creating rights for Plan participants, ERISA imposes duties on the people who are responsible for the operation of the Plan. The people who operate your Plan, who are called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your Employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a Plan Benefit or exercising your rights under ERISA.

If your claim for a Plan Benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. See Section 9, *Claims Procedures*, for details.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of the plan document from the Plan, and do not receive it within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent for reasons beyond the control of the Plan Administrator.

If you have a claim for Benefits, which is denied or ignored, in whole or in part, and you have exhausted the administrative remedies available under the Plan, you may file suit in a state or federal court. In addition, if you disagree with the Plan's decision or lack thereof

concerning the qualified status of a domestic relations order, you may file suit in federal court. If it should happen that the Plan's fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory, or write to the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W. Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration at (866) 444-3272.

The Plan's Benefits are administered by Air Liquide USA LLC, the Plan Administrator. UnitedHealthcare is the Claims Administrator and processes claims for the Plan and provides appeal services; however, UnitedHealthcare and Air Liquide USA LLC are not responsible for any decision you or your Dependents make to receive treatment, services or supplies, whether provided by a Network or non-Network provider. UnitedHealthcare and Air Liquide USA LLC are neither liable nor responsible for the treatment, services or supplies provided by Network or non-Network providers.

ATTACHMENT I - HEALTH CARE REFORM NOTICES

Patient Protection and Affordable Care Act ("PPACA")

Patient Protection Notices

The Claims Administrator generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in the Claims Administrator's network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the Claims Administrator at the number on the back of your ID card.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from the Claims Administrator or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in the Claims Administrator's network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the Claims Administrator at the number on the back of your ID card.

ATTACHMENT II - LEGAL NOTICES

Women's Health and Cancer Rights Act of 1998

As required by the Women's Health and Cancer Rights Act of 1998, the Plan provides Benefits under the Plan for mastectomy, including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema).

If you are receiving Benefits in connection with a mastectomy, Benefits are also provided for the following Covered Health Services, as you determine appropriate with your attending Physician:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and treatment of physical complications of the mastectomy, including lymphedema.

The amount you must pay for such Covered Health Services (including Copayments and any Annual Deductible) are the same as are required for any other Covered Health Service. Limitations on Benefits are the same as for any other Covered Health Service.

Statement of Rights under the Newborns' and Mothers' Health Protection Act

Under Federal law, group health Plans and health insurance issuers offering group health insurance coverage generally may not restrict Benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the Plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under Federal law, plans and issuers may not set the level of Benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under Federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain prior authorization or notify the Claims Administrator. For information on notification or prior authorization, contact your issuer.

ATTACHMENT III - HEALTH SAVINGS ACCOUNT

What this attachment includes:

- About Health Savings Accounts;
- Who is eligible and how to enroll;
- Contributions;
- Additional medical expense coverage available with your Health Savings Account;
- Using the HSA for Non-Qualified Expenses; and
- Rolling over funds in your HSA.

Introduction

This attachment to the Summary Plan Description (SPD) describes some key features of the Health Savings Account (HSA) that you could establish to complement the Air Liquide USA LLC Choice Savings Plan, which is a high deductible medical plan. In particular, and except as otherwise indicated, this attachment will address the Health Savings Account, and not the high deductible health plan that is associated with the "HSA".

Air Liquide USA LLC has entered into an agreement with United HealthCare Services, Inc., Minnetonka, MN, ("UnitedHealthcare") under which UnitedHealthcare will provide certain administrative services to the Plan.

UnitedHealthcare does not insure the benefits described in this attachment. Further, note that it is the Plan's intention to comply with Department of Labor guidance set forth in Field Assistance Bulletin No. 2004-1, which specifies that an HSA is not an ERISA plan if certain requirements are satisfied.

The HSA described in this section is not an arrangement that is established and maintained by Air Liquide USA LLC. Rather, the HSA is established and maintained by the HSA trustee. However, for administrative convenience, a description of the HSA is provided in this section.

About Health Savings Accounts

You gain choice and control over your health care decisions and expenditures when you establish your HSA to complement the high deductible medical plan described in the SPD.

An HSA is an account funded by you, your employer, or any other person on your behalf. The HSA can help you to cover, on a tax free basis, medical plan expenses that require you to pay out-of-pocket, such as Deductibles or Coinsurance. It may even be used to pay for, among other things, certain medical expenses not covered under the medical plan design. Amounts may be distributed from the HSA to pay non-medical expenses, however, these amounts are subject to income tax and may be subject to 20 percent penalty.

You have three tools you can use to meet your health care needs:

- Air Liquide USA LLC Choice Savings Plan, a high deductible medical plan which is discussed in your Summary Plan Description;
- an HSA you establish; and
- health information, tools and support.

Benefits available under your medical plan are described in your medical plan Summary Plan Description (SPD).

What is an HSA?

An HSA is a tax-advantaged account Participants can use to pay for qualified health expenses they or their eligible dependents incur, while covered under a high deductible medical plan. HSA contributions:

- accumulate over time with interest or investment earnings;
- are portable after employment; and
- can be used to pay for qualified health expenses tax-free or for non-health expenses on a taxable basis.

Who Is Eligible And How To Enroll

Eligibility to participate in the Health Savings Account is described in the SPD for your high deductible medical plan. You must be covered under a high deductible medical plan in order to participate in the HSA. In addition, you:

- must not be covered by any high deductible medical plan considered non-qualified by the IRS. (This does not include coverage under an ancillary plan such as vision or dental, or any other permitted insurance as defined by the IRS.)
- must not participate in a full health care Flexible Spending Account (FSA);
- must not be entitled to Benefits under Medicare (i.e., enrolled in Medicare); and
- must not be claimed as a dependent on another person's tax return.

Contributions

Contributions to your HSA can be made by you, by your employer or by any other individual. All funds placed into your HSA are owned and controlled by you, subject to any reasonable administrative restrictions imposed by the trustee.

Contributions can be made to your HSA beginning on the first day of the month you are enrolled in the Health Savings Account until the earlier of (i) the date on which you file taxes for that year; or (ii) the date on which the contributions reach the contribution maximum.

Note that if coverage under a qualified high deductible health plan terminates, no further contributions may be made to the HSA.

The contribution maximum is the single and family limits set by federal regulations. Individuals between the ages of 55 and Medicare entitlement age may contribute additional funds monthly to their HSA up to the maximum allowed by federal regulations. The maximum limits set by federal regulations may be found on the IRS website at www.irs.gov.

If you enroll in your HSA within the year (not on January 1) you will still be allowed to contribute the maximum amount set by federal regulations. However, you must remain enrolled in a high deductible health plan and HSA until the end of the 12th month from your initial enrollment or you will be subject to tax implications and an additional tax of 10%.

Note: Amounts that exceed the contribution maximum are not tax-deductible and will be subject to an excise tax unless withdrawn as an "excess contribution" prior to April 15th of the following year.

Reimbursable Expenses

The funds in your HSA will be available to help you pay your or your eligible dependents' out-of-pocket costs under the medical plan, including Annual Deductibles and Coinsurance. You may also use your HSA funds to pay for medical care that is not covered under the medical plan design but is considered a deductible medical expense for federal income tax purposes under Section 213(d) of the Internal Revenue Code of 1986, as amended from time to time. Such expenses are "qualified health expenses". Please see the description of *Additional Medical Expense Coverage Available With Your Health Savings Account* below, for additional information. HSA funds used for such purposes are not subject to income or excise taxes.

"Qualified health expenses" only include the medical expenses of you and your eligible dependents, meaning your spouse and any other family members whom you are allowed to file as dependents on your federal tax return, as defined in Section 152 of the Internal Revenue Code of 1986, as amended from time to time.

HSA funds may also be used to pay for non-qualified health expenses but will generally be subject to income tax and a 20% additional tax unless an exception applies (i.e., your death, your disability, or your attainment of age 65).

Additional Medical Expense Coverage Available with Your Health Savings Account

A complete description of, and a definitive and current list of what constitutes eligible medical expenses, is available in IRS Publication 502 which is available from any regional IRS office or IRS website.

If you receive any additional medical services and you have funds in your HSA, you may use the funds in your HSA to pay for the medical expenses. If you choose not to use your HSA funds to pay for any Section 213(d) expenses that are not Covered Health Services, you will still be required to pay the provider for services.

The monies paid for these additional medical expenses will not count toward your Annual Deductible or Out-of-Pocket Maximum.

Using the HSA for Non-Qualified Expenses

You have the option of using funds in your HSA to pay for non-qualified health expenses. A non-qualified health expense is generally one which is not a deductible medical expense under Section 213(d) of the Internal Revenue Code of 1986. Any funds used from your HSA to pay for non-qualified expenses will be subject to income tax and a 20% additional tax unless an exception applies (i.e., your death, your disability, or your attainment of age 65).

In general, you may not use your HSA to pay for other health insurance without incurring a tax. You may use your HSA to pay for COBRA premiums and Medicare premiums.

Rollover Feature

If you do not use all of the funds in your HSA during the calendar year, the balance remaining in your HSA will roll-over. If your employment terminates for any reason, the funds in your HSA will continue to be owned and controlled by you, whether or not you elect COBRA coverage for the accompanying high deductible health plan, as described in your medical plan SPD.

If you choose to transfer the HSA funds from one account to another eligible account, you must do so within 60 days from the date that HSA funds are distributed to you to avoid paying taxes on the funds. If you elect COBRA, the HSA funds will be available to assist you in paying your out-of-pocket costs under the medical plan and COBRA premiums while COBRA coverage is in effect.

Important

Be sure to keep your receipts and medical records. If these records verify that you paid qualified health expenses using your HSA, you can deduct these expenses from your taxable income when filing your tax return. However, if you cannot demonstrate that you used your HSA to pay qualified health expenses, you may need to report the distribution as taxable income on your tax return. Air Liquide USA LLC and UnitedHealthcare will not verify that distributions from your HSA are for qualified health expenses. Consult your tax advisor to determine how your HSA affects your unique tax situation.

The IRS may request receipts during a tax audit. Air Liquide USA LLC and the Claims Administrator are not responsible or liable for the misuse by Participants of HSA funds by, or for the use by Participants of HSA funds for non-qualified health expenses.

Additional Information About the HSA

It is important for you to know the amount in your HSA account prior to withdrawing funds. You should not withdraw funds that will exceed the available balance.

Upon request from a health care professional, UnitedHealthcare and/or the financial institution holding your HSA funds may provide the health care professional with information regarding the balance in your HSA. At no time will UnitedHealthcare provide the actual dollar amount in your HSA, but they may confirm that there are funds sufficient to cover an obligation owed by you to that health care professional. If you do not want this

information disclosed, you must notify the Claims Administrator and the financial institution in writing.

You can obtain additional information on your HSA online at www.irs.gov. You may also contact your tax advisor. Please note that additional rules may apply to a Dependent's intent to opening an HSA.

ADDENDUM - PARENTSTEPS®

Introduction

This Addendum to the Summary Plan Description illustrates the benefits you may be eligible for under the ParentSteps program.

When the words "you" and "your" are used the Plan is referring to people who are Covered Persons as the term is defined in the Summary Plan Description (SPD). See Section 14, *Glossary* in the SPD.

Important:

ParentSteps is not a health insurance plan. You are responsible for the full cost of any services purchased. ParentSteps will collect the provider payment from you online via the ParentSteps website and forward the payment to the provider on your behalf. Always use your health insurance plan for Covered Health Services described in the Summary Plan Description 5, *Plan Highlights*) when a benefit is available.

What is ParentSteps?

ParentSteps is a discount program that offers savings on certain medications and services for the treatment of infertility that are not Covered Health Services under your health plan.

This program also offers:

- guidance to help you make informed decisions on where to receive care;
- education and support resources through experienced infertility nurses;
- access to providers contracted with UnitedHealthcare that offer discounts for infertility medical services; and
- discounts on select medications when filled through a designated pharmacy partner.

Because this is not a health insurance plan, you are not required to receive a referral or submit any claim forms.

Discounts through this program are available to you and your Dependents. Dependents are defined in the Summary Plan Description in Section 14, *Glossary*.

Registering for ParentSteps

Prior to obtaining discounts on infertility medical treatment or speaking with an infertility nurse you need to register for the program online at www.myoptumhealthparentsteps.com or by calling ParentSteps toll-free at 1-877-801-3507.

Selecting a Contracted Provider

After registering for the program you can view ParentSteps facilities and clinics online based on location, compare IVF cycle outcome data for each participating provider and see the specific rates negotiated by ParentSteps with each provider for select types of infertility treatment in order to make an informed decision.

Visiting Your Selected Health Care Professional

Once you have selected a provider, you will be asked to choose that clinic for a consultation. You should then call and make an appointment with that clinic and mention you are a ParentSteps member. ParentSteps will validate your choice and send a validation email to you and the clinic.

Obtaining a Discount

If you and your provider choose a treatment in which ParentSteps discounts apply, the provider will enter in your proposed course of treatment. ParentSteps will alert you, via email, that treatment has been assigned. Once you log in to the ParentSteps website, you will see your treatment plan with a cost breakdown for your review.

After reviewing the treatment plan and determining it is correct you can pay for the treatment online. Once this payment has been made successfully ParentSteps will notify your provider with a statement saying that treatments may begin.

Speaking with a Nurse

Once you have successfully registered for the ParentSteps program you may receive additional educational and support resources through an experienced infertility nurse. You may even work with a single nurse throughout your treatment if you choose.

For questions about diagnosis, treatment options, your plan of care or general support, please contact a ParentSteps nurse via phone (toll-free) by calling 1-866-774-4626.

ParentSteps nurses are available from 8 a.m. to 5 p.m. Central Time; Monday through Friday, excluding holidays.

Additional ParentSteps Information

Additional information on the ParentSteps program can be obtained online at www.myoptumhealthparentsteps.com or by calling 1-877-801-3507 (toll-free).
