

# Accessing your Retirement Plan information online has never been easier!

Whether you are planning to retire soon or in the future, we understand that your American Air Liquide Holdings, Inc. Retirement Plan benefit will be an important part of your retirement income. We want you to have access to your retirement plan information and take ownership in your retirement journey which you can now do completely online. The new pension website will always be available for you when you are ready to learn more about your retirement benefits.

## Access the Air Liquide Employee Self-Service Pension Website 24/7

Visit the new pension website at **[www.eepoint.com/airliquide](http://www.eepoint.com/airliquide)**. The new interface is accessible 24/7 and has easy-to-use features that can help you:

- Send, receive and save documents electronically via the Message Center.
- Download forms and access other online support.
- Estimate your pension benefit.
- Find out when you are eligible to start pension payments.
- Initiate the retirement process when you are ready.

You will continue to have access to the same knowledgeable customer service representatives who are trained on our plan and eager to help you whenever you need it.

**Note:** The pension website address has changed, so make sure you save the new address as a bookmark on your browser for easy access to the site. You will have to create a new username and password by clicking "Register here."
